Ref: AO/MBA/Revaluation/July-2026 **06.11.2026**

CIRCULAR

Sub: MBA (I and IV) Revaluation of End Assessments – July 2026 Session – Reg.

MBA (I and IV) students, who appeared for the **End Assessment of July 2026 session**, can review their valued answer scripts of the end assessments (except Project Work and Essential Laboratory Requirements), and can get them retotalled / revalued and seek clarifications, if any, from the concerned faculty members.

Faculty members are requested to make the valued answer scripts available for student verification in offline mode **from 11.11.2026 to 12.11.2026.**

Students will be able to register for revaluation through the MIS portal https://misapp.nitt.edu/NITTSTUDENT/ **on 13.11.2026.**

All revaluation requests, including those with no change in marks or grade, should be completed by faculty members **on or before 16.11.2026**, to avoid technical issues during student registration for subsequent supplementary examinations, if applicable.

Important Instructions to Students:

1. Revaluation registration in the MIS portal should be done only by students who have verified their end assessment answer scripts and received confirmation from the concerned faculty regarding a possible change in grade.
2. Students are hereby informed that registering for revaluation without prior intimation to the concerned faculty member will result in the following consequences:
    - The respective course(s) will not be reflected in the grade sheet.
    - SGPA / CGPA will not be displayed.
    - Registration for supplementary examinations will be disallowed.
    - No requests for exceptions or special consideration will be entertained.
