VISION:
To be a university globally located for technical excellence where learning and research integrate to sustain society and industry.

MISSION:
To be a university globally located for technical excellence where learning and research integrate to sustain society and industry. To create a converging learning environment to solve a dynamically changing world. To promote innovation for sustainable solutions by forging global collaborations with academia and industry in cutting-edge research. To be an intellectual ecosystem where human capabilities can develop holistically.

HISTORY OF THE INSTITUTE:
The National Institute of Technology (formerly known as Regional Engineering College) Tiruchirappalli, situated in the heart of Tamil Nadu on the banks of River Cauvery, was started as a joint and co-operative venture of the Government of India and the Government of Tamil Nadu in 1964 with a view to sowing the seeds of man-power in technology for the country. The college has been conferred with autonomy in financial and administrative matters to achieve rapid development. Because of this rich experience, this institution was granted Deemed University Status with the approval of the UGC/AICTE and Govt. of India in the year 2000 and renamed as National Institute of Technology NIT-T was registered under Statutes Registration Act XXVI of 1975.
