NATIONAL INSTITUTE OF TECHNOLOGY: TIRUCHIRAPPALLI 620015

BRIEF INFORMATION ABOUT THE INSTITUTE

The National Institute of Technology (formerly Regional Engineering College) Tiruchirappalli was established as a joint venture of the Government of India and the Government of Tamil Nadu in 1964 to produce world-class engineers who will cater to the growing technological needs of the nation. The institute was granted Deemed University status with the approval of the UGC/AICTE and Government of India in 2003 and renamed National Institute of Technology (NIT-T). NIT-T has been declared an institution of national importance by the National Institute of Technology Act 2007.

Vision

- ☛ To provide valuable resources for industry and society through excellence in technical education and research.

Mission

- ☛ To offer state-of-the-art undergraduate, postgraduate and doctoral programmes.
- ☛ To generate new knowledge by engaging in cutting-edge research.
- ☛ To undertake collaborative projects with academia and industries.
- ☛ To develop human intellectual capability to its fullest potential.

Objectives of the Institute

The aims and objectives of NIT Tiruchirappalli, as assigned by the NIT Council are

- ☛ To offer world-class instruction in Science and Engineering.
- ☛ To provide adequate facilities for postgraduate study and research.
- ☛ To establish teaching and research programmes of an interdisciplinary nature;
- ☛ To develop close co-operation with industry.

- ☛ To develop strong collaborative links with other Institutions and organizations.
- ☛ To anticipate, plan and prepare the technological needs for India.
- ☛ To improve utilization of available resources.

Administration

The NITs are now fully funded by the Central Government. The move was intended to provide teaching and research in the branches of engineering, science, technology and management for the advancement of teaching and research. NIT Tiruchirappalli is one among them and its basic structure, functions and powers are briefed in the NIT Act 2007 and NIT Statutes 2009.

Academics

Ever since its establishment in April 1964, the institution has registered speedy progress and offers, at present, ten under graduate and twenty three postgraduate programmes, M.S.(by research) in all Engineering departments and Ph.D. programmes in all departments. The Institute has excellent faculty, well equipped laboratories for advanced research and a modern Central Library.

Over three thousand Undergraduate students, thousand five hundred Postgraduate students and two hundred Ph.D. Scholars from all over the country make NIT Trichy a vibrant campus. Admissions to M.Tech., MBA and MCA are based on the scores in the Graduate Aptitude Test in Engineering (GATE), CAT and by NIMCET examinations. Continuous assessment with Grade Point average based on relative grading (50% Continuous Assessment and 50% End semester Examination) ensures healthy competition among students. The institute is an example of cultural unity with students drawn from most of the states in the country. The current permanent faculty strength is 233 among whom 175 are with Ph.D. qualification.

Research & Consultancy

Apart from consultancy work undertaken by engineering departments, academic research and R&D activities register an exponential growth. NIT-

T has introduced M.S. by Research in all engineering departments in order to cater to the needs of aspiring engineers to pursue their research. Faculty members holding doctoral degree are offered a seed money to start their research. Research papers have been published and presented by our faculty members and research scholars in refereed journals, conferences, seminars and symposia of international and national repute. Seminars, conferences and symposia are also organized by various departments of our institute.

Our institute has signed MoUs with industries and institutions in India and abroad to promote collaborative research and consultancies. An MOU signed with BHEL, our neighboring industrial campus provides an opportunity for our young researchers involved in inter-disciplinary and collaborative endeavors. BHEL offers limited scholarships for research scholars pursuing Ph.D. and M.S. The MOU signed with Bharathidasan University, Tiruchirappalli looks forward to collaborative research activities to be undertaken in both campuses. Another MOU has been signed with NIMS Japan for the collaborative research in the area of nanotechnology. MoUs with IBM and HP and other leading software industries have been executed. HP has offered a Chair position to monitor the ongoing HP projects undertaken by our students. Apart from the ongoing projects, our faculty members have obtained major projects funded by DST, CSIR and AICTE.

Library

The institute has a modern central library with more than one lakh volumes and subscriptions to more than 180 periodicals. This collection includes reports, back volumes, a thousand e-Journals besides a holding of 15,943 bound volumes of journals. The library also contains 15,000 books in the Book Bank. Besides the central library, each department has its own library. The open access system is observed in the library. The Institute holds membership with British Council Library, Chennai.

OCTAGON (Computer Center)

The hallmark of this campus is the OCTAGON - Computer Center. This center serves the campus-wide LAN in close association with the user departments. This LAN caters to 1500 users across the campus at the same time and has a 10 Gbps fiber optic backbone. It also acts as a resource

centre to supplement classroom instructions with laboratory sessions. The OCTAGON accommodates the central computing facilities; it has a server room with 25 high-end servers and 200 high-end computers; its laboratories include four labs; a Printer room equipped with high- speed A3 and A4 network Laser Printers (color and mono); a Library for software, CBTs and manuals; Conference and Seminar facilities, a CAD/CAM Centre with 22 high-end workstations and an in-house maintenance facility. The centre is maintained by the Computer Support Group (CSG). Octagon is kept open 24 hours a day, 7 days a week, throughout the year. It has centralized 2 x 60 kVA redundant Uninterrupted Power Supply with 200 kVA standby Power Generators and Central Air Conditioning.

A new Annex building with an additional capacity of 198 computers has come up next to Octagon to meet the additional requirements. The Annex building has two labs, each with 99 computers. One of the labs is connected to the Internet via 58 Mbps (1:1) leased line from Software Technology Park of India (STPi) and via 100 Mbps leased line from Bharat Sanchar Nigam Ltd (BSNL) under National Mission on Education through Information & Communication Technology (NME-ICT) and the other is a general lab used for programming and CAD.

Network security is provided through two UTM appliances with failover option (Sonic Wall NSA 8500) and two Email Security appliances (Sonic Wall ES8300). User authentication for browsing the Internet is linked with ADS.

Operating Systems available are

1. Windows Server 2008 / 2003 R2 Enterprise Edition
2. Windows XP Prof. / Windows 7 Prof. / Windows 8
3. Red Hat Enterprise Linux AS release 17
4. Fedora 17

The salient features of campus wide Backbone Network are as follows

1. 10 Gbps Fiber Optic Backbone
2. Gigabit Routing Switch

3. 1/10 Gbps Managed Switches at Departments
4. UTP CAT 6 Structured Cabling

There are about 75 switches, which include Extreme, Cisco, Planet, and 3Com products, located in 34 different buildings with features like Layer 3

Manageable edge switches, Fault tolerant Supervisory (network O.S.) module

in each core switch, Hot swappable redundant power supply, Ethernet Automatic Protection Switching (EAPS) resiliency protocol, Support for Virtual Local Area Network (VLAN)

Student Life

The spirit of being in NITT is the freedom one gets, to explore life, without compulsions, without any crushing force from academic pressures. Generally, the NITTians pursue one or more skills, join clubs and groups to work for extra cultural activities.

The best part about NIT Trichy is that the intake of students is from all over India. As most of the students stay in the hostels, it gives them a chance to develop an attitude towards teamwork.

Extracurricular activities include participation in NCC, NSS, literary clubs, trekking clubs, photographic clubs and students' chapters of Professional societies. A modern gymnasium and other sports facilities are also available on the campus.

The Alumni of this institution have excelled in various spheres and are globally placed. RECAL, the alumni association of NITT takes part actively in Institute development.

NIT-T hosts two inter-collegiate festivals namely Festember (Cultural) and Pragyan (Technical). It also hosts an inter-departmental festival namely, NITTFEST (Cultural). These festivals find huge student participation from all over the country.

The institute has a total campus area of about 800 acres. The major student amenities are Hostels, Hospital, Post Office, Fully computerized State Bank of India (with ATMs), Canara Bank (with ATM), Stationery stores, Canteens, Cafeterias, Swimming pool and Shopping centre.

PROGRAMMES OF STUDY

The Institute offers the following Undergraduate and Post graduate programmes.

I. UNDER GRADUATE PROGRAMMES

- 1. Bachelor of Technology (Eight Semesters)**
 - a. Chemical Engineering
 - b. Civil Engineering
 - c. Computer Science and Engineering
 - d. Electrical and Electronics Engineering
 - e. Electronics and Communication Engineering
 - f. Instrumentation and Control Engineering
 - g. Mechanical Engineering
 - h. Metallurgical and Materials Engineering
 - i. Production Engineering

- 2. Bachelor of Architecture (Ten Semesters)**
 - a. Architecture

II. POST GRADUATE PROGRAMMES

- 1. Master of Technology (4 Semesters)**
 - a. Energy Engineering
 - b. Chemical Engineering
 - c. Process Control and Instrumentation
 - d. Transportation Engineering and Management
 - e. Structural Engineering
 - f. Environmental Engineering
 - g. Computer Science
 - h. Power Electronics
 - i. Power Systems
 - j. Communication Systems
 - k. VLSI System
 - l. Industrial Safety Engineering
 - m. Thermal Power Engineering

- n. Material science and Engineering
- o. Industrial Metallurgy
- p. Welding Engineering
- q. Industrial Engineering
- r. Manufacturing Technology
- s. Non-Destructive Testing

2. Master of Science (4 Semesters)

- a. Operations Research and Computer Applications
- b. Chemistry
- c. Physics

3. Master of Business Administration (6 Trimesters)

4. Master of Computer Applications (6 Semesters)

III. MASTER OF SCIENCE (BY RESEARCH)

All Engineering Departments

IV. DOCTOR OF PHILOSOPHY

- a. Chemical Engineering
- b. Civil Engineering
- c. Computer Science and Engineering
- d. Electrical and Electronics Engineering
- e. Electronics and Communication Engineering
- f. Instrumentation and Control Engineering
- g. Mechanical Engineering
- h. Metallurgical and Materials Engineering
- i. Production Engineering
- j. Architecture
- k. Chemistry
- l. Computer Applications
- m. Humanities
- n. Management Studies
- o. Mathematics
- p. Physics
