1.6.2   **Preparation of Merit List:**

A Merit List would be drawn on the basis of marks obtained by all the eligible candidates in +2 (or equivalent) exam in the following manner:

- The Merit/Priority of candidates will be based on Marks obtained in the qualifying exam (+2 or equivalent) in the subjects of Physics, Chemistry and Mathematics alone. For example, the aggregate %age of marks of the candidate who gets X/100 in Physics, Y/100 in Chemistry and Z/100 in Mathematics will be $(X+Y+Z)/3$.
- In the case of 2 or more candidates getting the same aggregate % of marks, the Merit/Priority will be decided by considering their marks in English.
- If the marks of the candidates in reference are equal in English also, then their marks in Mathematics will be considered for ranking.
- A student scoring higher marks on the above criteria would have higher priority as compared to one scoring marks.
- In rare cases, where two or more applications have a tie on the basis of above criteria, the Merit/Priority shall be decided on the basis of date of birth [*As per Christian Era*] of the student. The senior student would be preferred to the younger.
- In case of any further tie, EdCIL shall decide the criteria as appropriate.
- In case, a student has passed from an Examining Body which award Grades only and does not disclose marks obtained by him/her, the student would be required to submit the Range of the Grade adopted by the concerned Board/Examining Body and the Merit/Priority in such cases, would be drawn on the basis of average/mean of the Range of the Grade scored by the student in each subject.

The decision of EdCIL in this regard shall be final and binding on all concerned.

1.6.3 **Allocation of Institutions/Courses:**

1.6.3.1 Based on the Merit/Priority List drawn as above, the Allocation of Institution/Course would be made as per the choices/preferences indicated by the Student in the Original Application Form. A Student appearing higher on merit list would get higher priority in allocation of course/institution of his/her choice as compared to a student appearing low. In case, Institute/course of first preference indicated by the Student is not available, he/she will be allocated to his institute/course of his 2nd preference and so on.

1.6.3.2 Allocations/First Merit List shall be displayed only on **EdCIL's websites on 5th July 2009**. *NO INDIVIDUAL INTIMATION WILL BE SENT TO STUDENTS.*

It would be presumed that a student, who fails to confirm his/her acceptance in the above time frame, is not interested for admission in the allocated institution / course and would lose his/her right. The seat so vacated would be available for re-allocation again as per the Merit List.

1.6.3.4 Only the list of candidates, who are allotted specific Courses/Institutions as per the Merit list and from whom the acceptance of the admission has been received within the specific time frame, will be forwarded to concerned Institution (s) for granting final admission.

1.6.3.5 All admissions are subject to verification of facts from the original certificates/ documents and satisfactory physical fitness as prescribed by the institute concerned.

1.6.4 **Reallocation of Institutions/Courses:**

The Reallocation against the vacant seats, if any, would be made in the following manner:

- Only such students, who express their desire to be considered for reallocation of institution/course in the prescribed format, would be considered for reallocation.

- The Reallocation would be strictly on the basis of Merit amongst the students eligible for reallocation in terms of Para (1.6.3.3) above. This would be done against the seats remaining vacant due to non-acceptance of allocations made to students, if any. The choices/preferences indicated in the Original Application-cum-Registration Form by the Student would be considered for reallocation. *No new choice/preference of institutions/course would be acceptable at this stage.*

- The First Reallocation made shall be displayed on EdCIL website on 12th July 2009 and the students would be required to send confirmation for the acceptance, in writing, to reach EdCIL within two days i.e. by 14th July 2009.
