

Digital India Workshop

National Institute of Technology
Tiruchirappalli – 620 015

Kind Attention : Students of Colleges / Schools and Faculty Members
(Open to Both NIT Trichy and other institutions)

In order to transform the entire ecosystem of public services through the use of ICT, the Government of India has launched the Digital India Programme with the vision to transform India into a digitally empowered society and knowledge economy.

In connection with this, to make the public to understand the services and to give opportunities for people to showcase their knowledge in the existing services, a series of events followed by Workshop is planned at NIT Trichy.
