FACULTY DEVELOPMENT PROGRAMME ON
DATA MINING AND DATA ANALYSIS
MARCH 10th -14th 2014**

FDP-Co-Ordinators

Dr. N. Thamaraiselvan, Associate Professor, Management Studies

Dr. B. Senthil Arasu, Associate Professor, Management Studies

Dr.S.Nickolas, Associate Professor, HOD, Computer Applications (MCA)

Mrs.P.Sridevi, Assistant Professor, Management Studies

NIT-TRICHY OVERVIEW

The National Institute of Technology, Tiruchirappalli (NIT-T), formerly known as Regional Engineering College, Tiruchirappalli (REC-T) is one of the finest universities started by the Government of India. RECT was started in the academic year 1964-65 and has been imparting quality education since inception. In 2003, the institution was granted Deemed to be University status with the approval of UGC/AICTE. With a cream of engineering and management talent, encompassing both students and faculty, coupled with state-of-the-art infrastructure facilities, NIT-T today stands out as one amidst the elite institutions in the country.

ABOUT DOMS-NIT-TRICHY

The Department of Management Studies (DoMS), NIT-T since its inception in the year 1978 has served as a management hub for aspiring students and is being recognized as one of the best business schools in the country. Through commitment and continuous perseverance towards management education and innovation, the department has come up with a program that has earned a remarkable reputation over the years.

ABOUT MCA DEPARTMENT

The Department of Computer Applications, NIT, Trichy is one of the pioneering departments of the institution that offers Information Technology courses such as MCA and one among the top five, offering MCA courses in the country. The vision of the department is to establish computer science and applications center of excellence for learning and research. It is committed to impart quality education in the sub-fields of IT, a field growing in leaps and bounds. The highly experienced faculty of the department provides a good theoretical foundation through high quality teaching complemented by extensive practical training. It is dedicated to the mission of inculcating value-based, socially committed professionalism to the cause of overall development of students and society.

THE PROGRAMME THEME

The workshop stimulates researchers in diverse academic platform by exploring Data Analysis and Data Mining tools. The major focus of the workshop is to highlight and deliver Data analysis methods on Correlation, Regression, Multiple regression, Logit regression, Factor analysis and emotional intelligence. The theme of the workshop also highlights on overview of Data Mining and its associated techniques like classification (Neural Networks, Support Vector Machines) and Clustering algorithms. The workshop provides opportunity for academicians and researchers to enhance their analytical capability through classroom learning and lab sessions.

TARGET AUDIENCE

- Academicians
- Research Scholars

REGISTRATION FEE DETAILS

Category	Individual	**Group Registrations Per Participant
Academicians	Rs.5000	Rs.4500
Industries & Govt Organizations	Rs.7,500	Rs.6,500
