Knowledge Management & Innovation for Higher Educational Institutions

25-26 July 2014

Venue: NIT Trichy

The 2- day workshop is being organized in NIT-Trichy campus on July 25-26, 2014 for education administrators and senior professors of higher educational institutions, especially from remote and less represented areas. The workshop shall help the institutions to implement KM program with appropriate initiatives focusing institutional transformation.

Workshop Objectives & Design

The objectives of the workshop broadly include the following -

- To reinforce the need for institutional transformation
- To make the participants recognize KM & Innovation as a transformation strategy
- To provide the fundamentals, best practices for strategizing and implementing KM
- To provide a participative and collaborative process to evolve a framework for KM
- To enable participating institutions initiate KM projects

The workshop would cover Lectures to review KM concepts and methodologies, Best practice sharing by practicing professionals, case discussions and facilitated group work to evolve KM implementation framework in higher educational institutions.

Who should attend?

The workshop is meant for senior faculty members involved in administrative roles in higher education institutions. The workshop participants will be pre-qualified through a process of selection. Selected participants will be given reading material in advance. The coordinators shall help the institutions to initiate KM programs.
