No. NITA.5/ (68-Acad)/NIMCET(AI)/2014

Date 02/04/2014

**NOTIFICATION**

As per report generated from the software it appears that about 10,000 candidates registered themselves for NIMCET-2014. It also appears that actual submission of online application on payment of requisite fee is far less than the registered candidates. As per brochure of NIMCET-2014 the last date of online submission of application was 03/04/2014. It is unlikely that within the time available such a large number of candidates will be able to make online submission of application for NIMCET 2014 on payment of fee.

In order to enable the registered candidates to submit applications the last date of online submission of application through the website NIMCET 2014 is hereby extended from **03/04/2014** to **10/04/2014**. However, the last date of receipt of printout of application form shall remain the same as 17/04/2014.
