### WORKSHOP ON

## Sustainable technologies for future

**13 December 2008**

Under

**TECHNICAL EDUCATION QUALITY  
IMPROVEMENT PROGRAMME (TEQIP)**

Community services

CO-ORDINATOR

**Ms. K.N.Sheeba**

**Department of Chemical Engineering  
National Institute of Technology  
Tiruchirappalli – 620 015**

Energy crisis is a threatening factor that darkens our country and demands immediate attention. A combination of the solutions to the above said problem is through the use of renewable energy technologies and by practicing energy conservation. The workshop is aimed at propagating the technologies that can serve to contribute to the energy crisis, environmentally benign processes and industrial energy conservation. The topics for this workshop are selective like

- *Alternate fuels*
- *Wind energy*
- *Fuel cells*
- *Industrial energy conservation*
- *New separation techniques*

The workshop will be useful for teachers and researchers from Engineering and Sciences and practicing engineers from Industries.

#### **RESOURCE FACULTY**

Experts from BHEL, High Energy Batteries and NITT will deliver lectures.

#### **ELIGIBILITY**

The teachers of engineering colleges, research scholars and practicing engineers are eligible to attend. The participants will be provided with the working lunch only. No TA/DA will be given. The number of participants is limited to 30. The participants have to make their own arrangements for stay during the workshop, however, if requested, accommodation will be provided in NIT guest house/Institute hostels (if available) on payment basis.

#### **REGISTRATION**

Application for participation in the workshop shall be sent to the coordinator as given in the attached format along with the registration fee of Rs. 100/- for academicians and Rs.300/- for Industrial participants by D.D. drawn in favor of The Director, NIT, Tiruchirappalli - 620 015 payable at SBI, NIT Branch (Code - 1617), Tiruchirappalli.

#### **IMPORTANT DATES**

Last date for receiving the applications: 5<sup>th</sup> December 2008

Intimation of acceptance: 6<sup>th</sup> December 2008
