REQUEST FOR PROPOSALS FOR SUMMER INTERNSHIP AT NIT, TRICHY

It is proposed to offer internship to 50 NIT, Trichy students of all branches during the summer of 2013-2014. Out of these, 10 interns can work on areas related to institute development activities and the remaining interns can work on areas related to sponsored research projects carried out by the faculty of NITT. If sufficient number of applications are not received in the areas mentioned above, the actual number of internships offered would be less than 50.

Applications for internship should be submitted online through the NITT home page www.nitt.edu (click the link ***Summer Internship for NIT, Trichy students***). The following details should be furnished in the application: Name, Roll No, email id, mobile number, address, Dept, Year of admission, Semester wise CGPA, % of Marks in 10, +2, AIEEE Score, Area of internship, 200 words abstract of the work proposed to be carried out, Name of the Supervisor from NITT, Consent of the supervisor in the form of email in text format. (This is mandatory for accepting the application)

Selected students would be required to carry out the internship for at least 6 weeks and would be paid a stipend of Rs. 5000 for the entire duration from the Research Management fund.

Last date for on line submission of the application is 19th April 2014, 5 PM.

Selection list would be displayed in the website on 30th April 2014, 5 PM
