The Chairman-Senate welcomed the senate members and apprised them of the initiatives taken in reforming the teaching-learning process. He also welcomed the external member Dr. Samuelson and the new Heads of the Department, Dr.T. Suthakar, Dr. D. Sriram Kumar and Dr.V.J. Sivakumar to the Senate. The Chairman placed on record the excellent work rendered by

the outgoing Dean Dr. P. Asokan in streamlining Admissions and also welcomed the new Dean Dr. S. Arul Daniel. The Chairman also mentioned about the installation of Student Senate, a body of class representatives and members of student council to discuss the issues faced by the students in the teaching-learning process. The Chairman also informed the members about the visit of the former President of India, His Excellency Dr. A.P.J. Abdul Kalam to the Institute to award the Distinguished Alumni Awards on 26th February 2014.

After the welcome address by the Chairman Senate, the discussions were initiated item wise listed in the agenda.

1. To confirm the Minutes of the 27th Senate Meeting and Senate Subcommittee Meeting held on 20.09.2013 and 16.12.2013 respectively.

Approved

2. To approve and ratify the entire admission of UG, PG and Ph.D. Programmes for the year 2013-2014.

The entire admission of UG, PG and Ph.D. Programmes for the year 2013-2014 is approved. However, the modalities for satisfying the Architecture Council norms for the students admitted through DASA scheme to B.Arch. programme may be explored by the HOD of Architecture Department.

3. Results of odd Semester UG & PG Courses 2013-2014.

The Senate ratified the results of odd semester UG & PG courses 2013-14 with the following observations.

The guidelines for grading have not been followed by few faculty members. The PAC Chairpersons are advised to scrupulously follow the already approved guidelines for grading the students. The Senate observed the absence of students in 'S' Grade and crowding of students in 'E' Grade in some subjects with concern.

4. To ratify the award of Provisional degree to M.S/Ph.D. Candidates who have successfully completed the requirements of the degree.

The Senate resolved to ratify the award of provisional degree to M.S./Ph.D. candidates listed in the 28th Senate Agenda and Notes

The research supervisors are advised by the Senate to follow the guidelines given in the respective Regulations while recommending the panel of examiners for evaluating M.S./Ph.D. thesis.

e. Introducing new M.Tech. Programme for ICE department – Presentation by the HOD/ICE

In Departments which do not offer any PG programme, the Senate felt the need of starting at least one. The Senate therefore recommends in principle, the starting of new M.Tech. (Instrumentation and Control Engineering), in the department of Instrumentation and Control Engineering (ICE). The proposal for starting, a new M.Tech. Course will be referred to the standing committee headed by the then Visitor's nominee and appointed by BoG for new courses, for subsequent approval by Board of Governors.

Department of ICE currently offers jointly the M.Tech. programme on Process Control and Instrumentation(PCI), along with the Department of Chemical Engineering and do not have any PG programme offered exclusively.

During the above discussion, one Hon'ble member stated that the placements of PG students is abysmally bad and new PG programmes may be started with due analysis. The Chairman therefore proposed the transfer of administrative control of M.Tech., PCI, hitherto jointly offered by Department of Chemical Engineering and Department of Instrumentation and Control Engineering(ICE), exclusively to the Department of ICE for the period 2014-16. The Senate approves this transfer.

f. Renaming CEESAT as Department of Energy and Environment (DEE) as per the minutes of 31st BOG held on 10th August 2012. Henceforth all academic documents of M.Tech. (Energy Engineering)/M.S./Ph.D. shall be issued in the name of Department of Energy and Environment.

Noted

g. Student President's representation to conduct super supplementary examination for the students of VIII Semester, B.Tech. having F grades in courses up to VII Semester B.Tech.

The Senate has approved to conduct special supplementary examination for the current VIII semester B.Tech. and X semester B.Arch. students who have a maximum of three F grades in courses up to VII Semester/IX Semester respectively. The examinations conducted for the courses identified based on the above criteria shall be open to any other student who has an F grade in these courses.

h. Revised curriculum for B.Tech. Mechanical Engineering – Presentation by the HOD of Mechanical Engineering.

A hon'ble member of the senate and the Professor of Mechanical Engineering, with endorsement of HoD of Mechanical Engineering, has presented a new concept for B.Tech. Mechanical Engineering curriculum. The Senate felt the need for further discussion on this concept as it is essential to involve larger issues into account viz. the components of science, humanities and core engineering in the B.Tech. curriculum. The HoD, Mechanical Engineering is advised to follow the guidelines already approved by the senate in this regard.

 Representation from Ms. Prashanthi Ravi (Roll No: 111110063), a final year Mechanical Engineering student to change the grade awarded in the redo course MA 102 Mathematics-II, appeared during the summer of 2011 as per the regulations of 2011.

Ms. Prashanthi Ravi (Roll No: 111110063) had enrolled for redo in MA 102 Mathematics-II, during the summer of 2011. She has completed the course, securing 93 marks out of 100 and has been awarded D grade as per the 2009 B.Tech. regulations. Prashanthi Ravi has got a good academic track, securing an overall CGPA of 9.2 up to VII Semester. She had poor attendance causing this redo and it was due to physical indisposition caused by Typhoid. Considering her good academic records and her genuine cause of absence leading to a redo, the Senate has approved to award the grade due to her as per the revised regulations of 2011. Hence her grade in MA 102 Mathematics—II is upgraded to 'S' grade.
