

Below is the list of students who have not verified their names and not provided proof for verification (for CONVOCATION 2014). This is the fourth call for these students during the past six months.

The following students are requested to contact the Office of the Dean Academic immediately and complete the verification before 31 March 2014. They are hereby informed that if they fail to co-operate, they will not be able to claim for any correction if any discrepancy is found in their academic records (to be issued while leaving the institute).
