A monthly news letter of National Institute of Technology Tiruchirappalli
Volume: 2 December 2007 Issue: 12

From the Director's DESK

Dear all,

The Departments were busy with the TEQIP workshops, national conferences and visiting professors from abroad during the month of November and December 2007. Dr. Yuh-Shan Ho from Taiwan visited NITT and he motivated the students and faculty in academic and research activities. Prof R Natarajan Former Director IIT visited the institute and encouraged the faculty through a special lecture "Research on Higher Education Institutes". Prof T S Sudharshan of USA delivered series of lectures and interacted with faculty and students. The TEQIP Progress was audited and the overall perceived score is 9.1 out of 10. The Departments are preparing for the ensuing accreditation visit planned during January 2008. I congratulate the award winners of the year 2007 and I wish the students and faculty to bring more laurels in the year 2008.

I wish you all a prosperous and happy new year 2008.

Prof M Chidambaram
Director

Books Published by NITT faculty

- ES Gopi Lecturer, Department of ECE *Algorithm collections for Digital signal Processing Applications using Matlab* Publisher: Springer Verlag
- N P Gopalan Professor, Department of Computer Applications " *Web Technology A Developers Perspective* " Publisher : Prentice Hall of India Ltd, Co Author: J Ahilandeswari Sonal College of Technology Salem.

FACULTY FROM ABROAD

Dr.Yuh-Shan Ho, Professor, Department of Chemical Engineering and Bibliometric and Research Centre, I-Shou University, No.1, Section 1, Hsueh-Cheng road, Ta-Hsu Hsiang, Kaohsiung County 840, TAIWAN, visited Our Institute from 15.10.2007 to 12.11.2007.

During his visit, the following activities were conducted:

- 17th October 2007 – He delivered a lecture on “Bibliometric and Research”. Bibliometric is a type of research method used in library and information sciences. It utilizes quantitative analysis and statistics to describe patterns of publications within a given topic, field, institute, or country. In this speech, research in the world, India’s performance in SCI was presented. In addition, research of NITT was also presented.
- 19th October 2007 – He delivered a lecture on “Science Citation Index”. PG students and research scholars are attended and benefited.
- 24th October 2007 – He gave a lecture on “Adsorption Kinetics” for the Final Year B.Tech Chemical engineering , M.Sc, M.Tech students and Ph.D scholars of both chemistry and chemical engineering departments.
- 26th October 2007 – He conducted a Work shop on “Bibliometric and Research For other College Teachers” Under TEQIP Networking. Five faculty from GCE salem, our network partner attended and got benefited .
- 2nd November 2007 – He visited the nearby Industry BHEL, and delivered a Lecture on “ Bibliometric Analysis of Engineering Research in India”.
- 6th November 2007 – He delivered a lecture on “Bibliometric Analysis of Research on Drinking water” at Institute of Engineers, BHEL Campus.
- In addition to all these programme, He discussed with our Faculty, Research Scholars, M.Tech and B.Tech students from Chemistry, Chemical Engineering, Civil Engineering, Physics and Mathematics.

Faculty Training under TEQIP in Abroad

| | | | |
|--|--|------------------------------------|---|
| Mr. M. Perumalsamy, Lecturer/ Chemical | Bioprocess Engineering | November 5 – December 4, 2007 | The University of IOWA, IOWA, USA |
| Ms. R. Leela Velusamy, Lecturer / Computer Science Engg. | Wireless Communication | November 9 – December 8, 2007 | Nanyang Technological University(NTU), Singapore |
| Dr. V. Muthupandi, Professor/ Metallurgical and Materials Engg. | Corrosion of Weldments of Magnesium Alloys and of Coated Magnesium Alloys | November 10 – December 10, 2007 | Institute of Materials Research of the GKSS Research Centre, Germany |
| Ms. S. Jaya Nirmala, Lecturer/ Computer Science Engg. | Chip Multiprocessors | November 12 – December 11, 2007 | Nanyang Technological University, Singapore |
| Dr. Sihaj P Simon, Lecturer/ Electrical and Electronics Engg. | Artificial Intelligence | November 12 – December 12, 2007 | Nanyang Technological University, Singapore |
| Mr. P. Palanisamy, Lecturer/ Electronics and Communication Engg. | Signal Processing | November 12 – December 11, 2007 | Nanyang Technological University, Singapore |
| Dr. S. Moses Santhakumar, Professor/ Civil Engg. | Application of GPS and GIS for Highway and Airfield Pavement Network condition Monitoring systems | November 19 – December 18, 2007 | National University of Singapore, Singapore |
| Dr. A. Chandra Bose, Asst. Professor/ Physics | Nanomaterials | November 15 – December 20, 2007 | Institute for Nanotechnologie, Germany |
| Dr. Samson Mathew, Asst. Professor/ Civil Engg. | Intelligent Transport Systems (ITS), Transportation Engineering and Land use Planning | November 26 – December 26, 2007 | National University of Singapore, Singapore |
| Dr. G. Swaminathan, Asst. Professor / Civil Engg. | Environmental Engineering and Science | November 26 – December 26, 2007 | National University of Singapore, Singapore |

December 2007

Issue: 12

National Seminar/Conferences

- National Seminar on sensor and its applications NSSA 2007 -held on 7-8 December organized by Department of Chemistry
- National Conference on Instrumentation and control engineering ICECON 2007- held on 27-29 December organized by Department of Instrumentation and Control Engineering
- National Seminar on Energy and Environmental Engineering EEES 2007– held on 27 -28 December organized by CEESAT

Forth Coming Events

- Two Day Workshop on Advanced Fluid Dynamics (High Viscous Fluids) will be conducted by Department of Chemical Engineering Jan 4-5 2008.
- Workshop on Microreaction Technology for Process Intensification will be conducted by Department of Chemical Engineering and Department of Chemistry Jan 11, 2008.
- Two Day National Conference on Emerging Materials and Technologies for India 2020 will be conducted by the Department of Metallurgical and Materials Science Jan 24-25, 2008.
- Two days workshop on FINITE ELEMENT ANALYSIS OF WELDING PROCESSES will be conducted by the Department of Production Engineering Jan 24-25, 2008

Faculty -TEQIP Training in India

| | | | |
|---|--|-----------------------------------|---|
| Mr. S. Moorthi, Lecturer/ Electrical and Electronics Engg. | Analog Interfacing and System Design | November 29 – December 7, 2007 | The Leela Palace and Texas Instruments, Bangalore. |
| R.K. Jeyachitra, Lecturer/Electronics and Communication Engg. | MATLAB and its Applications | November 29 & 30, 2007 | NITTTR, Taramani, Chennai |
| Mr. R. Gururaj, Lecturer/ English | English Language Learning Through Computer Literacy in Schools | November 17 – 19, 2007 | Indian Institute of Management, Indore |
