**TENDER NOTIFICATION FOR CABLE LAYING WORK:**

**Specifications:**

Sealed tender is invited from reputed firms for labour charges to lay under ground 20, 50, and 100 pair (approximately 6000 meters each) armoured underground telephone cable in NIT campus.

- 1) Labour charges to be quoted per meter basis.
- 2) If additional cables are to be run in the same trench, the labour charges for laying the cable alone to be specified per meter basis.
- 3) Depth of the soil 2 feet.
- 4) Sand to be filled for a height of half foot and bricks to be placed over the cables.
- 5) Metal Route markers to be placed at an interval of 50 mts and at the turning points. (price to be quoted per piece basis)
- 6) Cost of joining kits for 20, 50, and 100 pair to be specified separately including the labour charges.
- 7) Metal Distribution boxes with lock (metal) for 20, 50, and 100 pair including disconnection modules may be required at appropriate places. Cost of these distribution boxes per piece basis to be indicated.
- 8) PVC pipes to be used above the soil up to the Distribution boxes. Cost of the PVC pipes per meter basis to be specified..
- 9) At road crossing points the cables are to be run using GI pipes of suitable diameters. Cost for GI pipes to be specified per meter basis.
- 10) The contractor should be registered with the District Labour Welfare Office and the contractor should file the documents related to labour laws (the form prescribed by the District Labour Officer) and fees / charges to be paid to District Labour Welfare Office is the responsibility of the contractor.  
Photocopies of the relevant documents in this regard should be submitted along with tender document
