

NIT-TRICHY OVERVIEW

The National Institute of Technology, Tiruchirappalli (NIT-T), formerly known as Regional Engineering College, Tiruchirappalli (REC-T) is one of the technical institutes started by the Government of India. RECT was imparting quality education since its inception - 1964-65. In 2003, the institution has been granted 'Deemed to be University' status with the approval of UGC/AICTE. With a cream of engineering and management talent, encompassing exuberant students and inspiring faculty, integrated with State-of-the-art infrastructure facilities, NIT-T today has emerged as one of the premier institutions in the country.

ABOUT DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES-NIT-T

The Department of Humanities and Social Sciences, a research department, comprises English and Economics division. The Department of English offers communication courses to B.Tech., B.Arch., M.B.A., M.Tech & M.C.A and the Department of Economics offers Personality Development courses and Entrepreneurship Development courses to B.Tech and M.B.A. The exposure to soft skills and life skills has made our students place a good stead in successful placement and assured career growth.

ABOUT DEPARTMENT OF MANAGEMENT STUDIES-NIT-T

The Department of Management Studies (DOMS), NIT-T since its inception in the year 1978 has served as a management hub for aspiring students and is being recognized as one of the best business schools in the country. The department has earned a remarkable reputation over the years through persistent commitment towards management education and innovation. DOMS not only teaches the art and science of management but also instills in its students, virtues and skills needed to make a difference in tomorrow's world. The academicians at DOMS are known for their learning and erudition, with a well-established record of consultancy and research activities.

Life Skills Education

Life Skills education encapsulates the social, personal, intellectual and emotional skills, which aims at preparing learners for meaningful and successful living in today's globalized context. These 'Seed Skills' have become necessary prerequisites in the holistic development of learners, as it exposes them to a range of knowledge, skills and values of life.

Course Content

The course aims at equipping teachers to be competent in facing the challenges of the dynamic learning environment, by providing an insight to soft skills for success and life skills for survival at the workplace. The participants can hone their abilities through interactive sessions and impart the skills to their students. The main focus of the course includes:

- Effective Communication
- Interpersonal Relationship
- Creative Thinking
- Critical Thinking
- Problem Solving
- Decision making
- Negotiation skills
- Coping with Stress
- Assertiveness and Emotional Resilience
- Achievement Motivation
