COMPUTER SUPPORT GROUP

Item No. 8 : Surveillance Cameras

18. The bidders/vendors are informed that they should not call us over phone or contact us in person. All clarifications can be obtained through E-Mail/FAX/Post. Vendors shall not make attempts to establish unsolicited and un-authorized contact with us after the opening of the offers and prior to the notification of the award. Any attempt by any bidder/vendor to bring extraneous pressures on us shall be sufficient reason to disqualify the bidder/vendor.
19. Delay / loss in postal transit or due to other reasons will not be NIT-T's responsibility.
20. Authorized signatory should sign on all the pages. Bids without authorized signatures will be rejected.
21. We are not responsible for accidental opening of the covers that are not properly superscribed and sealed before the time scheduled for opening.
22. The tender should be made only on the "Technical compliance form" which is available in our website, otherwise it shall lead to rejection. The technical compliance form should be duly filled up (preferably **TYPE WRITTEN IN CAPITAL LETTERS**) and should clearly mention the make, model number & warranty by the bidder against each specification.
23. The bidders are not allowed to make addition or alteration in the tender document.
24. If no warranty period is specified then the default warranty will be assumed as three years.
25. The manufacturers of the quoted make of the product must be of national / international repute and having ISO / BIS certificate.
26. **Liquidated damages:** If the bidder/supplier, after accepting the Purchase Order, fails to deliver any or all of the Goods within the period specified in the Order, NIT-T shall, without prejudice to other remedies under the Rules of Purchase, proceed to cancel the order or agree to accept a delayed delivery on the condition of payment of liquidated damages by the bidder / supplier a sum equivalent to 0.50% of the total cost as indicated in the Purchase Order (which will be deemed as agreed price) for each week or part thereof of delay until actual delivery or performance is completed and such penal charges shall be limited to a maximum of 5% of the total cost. Once the maximum is reached NIT-T may proceed on its own to consider the termination / cancellation of the order.
27. No Earnest Money Deposit (EMD) or processing fee is required for submitting this NIT-T rate contact tender
28. Failure to comply with all the terms and conditions mentioned herein would result in the tender being summarily rejected.
29. This is a single bid system. Both the technical specification and price bids would be opened at the same time. Bidder/Vendors are informed that the prices will be compared only if it meets NITT technical specifications.
30. The bidders are expected to renew their offers whenever requested. The quoted prices should be valid for the entire one year NIT-T rate contract period with a validity till November 31, 2017. Orders will be placed as and when required during this period.
31. In case the quoted model is declared end-of-life (EOL) or if the OEM stops the production or if the specification changes during the NIT-T rate contract period, then in that case the next equivalent replacement model should be supplied subject to condition that the purchase committee accepts to this. The replacement model should have the same specification or higher specification, and should be in no way inferior. The same should be notified in writing to NIT-T as and when the model or specification changes. The decision of the committee is final.
32. The order will be based on the actual requirement at the time of ordering and it may be 1 number or in lots depending on the department requirements, optional items such as NVR may also be ordered based on the actual requirements if any. Not quoting for some of the optional items may result in disqualification for that category of items ordered.

Item No. 8 : Surveillance Cameras

33. Preventive Maintenance should be performed by the supplier or their authorized service person twice every year during the first week of January and July during the 3 year on-site comprehensive warranty period, to lessen the likelihood of the Surveillance Cameras failing. Preventative maintenance should be performed while the Surveillance Cameras is still working, so that it does not break down unexpectedly. While performing Preventive Maintenance the service person should come with all the required tools (such as blower, etc). Preventive Maintenance includes cleaning the Surveillance Cameras hardware for accumulated dust, updating the NVR firmware / drivers with the latest version.
34. The downtime should be less than 48 hours. If the downtime exceeds 48 hours at a stretch then the duration of such downtime will be added to the warranty period and the warranty shall be extended accordingly.
35. The warranty start and end date will be counted from the date of installation and not from the date of shipment / billing.
36. The supply should be in original OEM's packing. The packing should not be tampered. If tampered or if found duplicate, action will be taken against your firm and your firm's name will be deleted from our suppliers list.
37. The invoice / bill should have all the required details like PO#, Make, Model, Price, Serial number, and Warranty.
38. All departments are empowered to raise the purchase order with your firm and you are requested to supply the same as per this NIT-T rate contract and purchase order.
39. Components such as Ethernet Cable, Poles, PVC Pipes, RJ 45 Jack, and Power Source (with POE Switch or POE Injector or Power Sockets) near the camera will be in NIT-T scope. If NIT-T is not able to provide the same, then it would be at bidder scope at additional cost, hence also quote for optional items.
40. "Comprehensive on-site warranty with on-site support and service for both Parts and Labour" means that your engineer should visit the site / location where the problem is reported, then troubleshoot & identify the problem and replace the faulty part. NIT-T will not provide or do any troubleshooting at our end.
41. Enclose the Distributor / Reseller / Retailer certificate with the validity date. The offer should be authorised by the Manufacturer. The offers received without the certificate and authorization will be rejected.
42. NIT-T reserves the right to modify or alter the specifications after short listing of tenderers.
43. NIT-T reserves the right to split the orders among multiple bidders/vendors if the prices are same.
44. NIT-T reserves the right to reject any or all the tenders without assigning any reasons whatsoever.
45. In case of dispute, the matter will be subject to Tiruchirappalli, Tamil Nadu Jurisdiction only.
46. **Eligibility Criteria:** The bidder should have supplied at least 10 numbers of Surveillance Cameras in a single PO to any of the reputed institutions or government organizations in India in the last 3 years. Please fill in the firms details in the last page.
