NIT-T's study on accident-prone stretch to suggest remedies

R Rajaram

Students carrying it out on a request by Tiruchi rural police

Amid recurring accidents on the Palpannai - Thuvakudi stretch along the busy Tiruchi - Thanjavur National Highway, the National Institute of Technology Tiruchi (NIT-T) is almost through with its scientific study to analyse causes and recommend remedial measures.

A group of students of the institution's Civil Engineering Department had carried out the study that was commissioned on a request made by the Tiruchi rural police authorities under whose jurisdiction a substantial portion of the accident prone Palpannai-Thuvakudi stretch falls.

The nearly 14.5 kilometre stretch from Palpannai to Thuvakudi has been witness to several road accidents, most of them fatal, at different locations, causing huge concern to the road users and the law-enforcing authorities.

The study had been conducted against the backdrop of persistent demands from road users and general public for laying a service road from Palpannai to Thuvakudi to ensure safety of motorists - an issue yet to be addressed due to apparent delay in acquisition of land.

Dotted with proliferating residential localities, commercial establishments and educational institutes adjoining it, the Palpannai-Thuvakudi stretch is abuzz with vehicular movements and has virtually turned out to be a dangerous section for motorists and pedestrians in the absence of a service road. Notwithstanding protests in different forms resorted to by residents staying along the stretch demanding the laying of a service road, the issue has remained unsolved till date.

The detailed scientific study carried out by a group of 16 NIT students factored in the volume of vehicular density, potential hazardous locations and speed of the vehicles, says Samson Mathew, Professor, Department of Civil Engineering, NIT who is heading the exercise. The study was done at different intervals of time to determine the pattern of vehicle movement - both passenger and freight - so as to ascertain the cause of accidents and suggest remedial measures accordingly, Dr. Samson Mathew said.

Concerned over recurring road accidents, the Tiruchi Rural Police had a few months ago identified certain "black spot" locations along the Palpannai- Thuvakudi road stretch. Four such spots were narrowed down by the law enforcers in the wake of accidents getting reported at those locations. The locations identified were Kattur Oil Mill to Manjithdal bridge; Tiruverumbur over bridge to ITI; Irrigation Management Training Institute to Thuvakudi bus stop and in the stretch close to Anna Arch near Thuvakudi, say police sources.

Dr. Samson Mathew said a final shape was being given to the study which was on the verge of completion. The study narrowed down on four main accident-prone spots : SIT, Oil Mill, BHEL roundabout and near Anna Valaiyu at Thuvakudi. The intersection opposite to SIT was also found to be a major hazardous location during the course of study. The study would offer detailed remedial measures which was under compilation, said Dr. Mathew, adding that detailed analysis would be handed over in a month's time to the police as well as to the highway authorities.

Police statistics reveal that the highway stretch falling under the Tiruchi rural police jurisdiction witnessed 138 accident cases out of which 27 turned out to be fatal in 2018. Casualty figures were 30, while 167 others sustained injuries. In the current year up to May, a total number of 23 accidents were reported of which four were fatal with equal number of casualties.

Local residents say the Palpannai - Thuvakudi stretch has turned out to be most dangerous one in Tiruchi if the number of deaths caused by road accidents is any indication. The openings at SIT, Oil Mill, Kattur and Amman Nagar are potential accident spots where motorists would have to exercise extreme caution given the speed of the vehicles, says S. Sakthivel, organiser, Federation for Retrieval of Tiruchi- Palpannai - Thuvakudi Service Road.

5th International Yoga Day celebrations at NIT

National Institute of Technology, Tiruchirappalli (NITT), celebrated International Day of Yoga in the institute auditorium - BARN Hall on 21st June 2019.

The institute organized a high reaching Yoga demonstration programme for the faculty, staff, students and residential members of NITT with great enthusiasm.

Dr. Mini Shaji Thomas, Director inaugurated the Yoga day celebration and She emphasized the importance of yoga for strengthening our mental and physical ability, increase the body flexibility and reduces stress. Different Asanas were demonstrated and practiced by all participants. The Director, NITT observed the International Day of Yoga celebration and also took part in the practical yoga session. About 100 delegates including faculty members, staff, students, NSS and NCC volunteers and residential members of NITT participated in Yoga day celebrations.

On behalf of NSS, NCC and student's council of NIT, the NSS Coordinator Dr. V. Mariappan coordinated the events. NITT proposed to conduct regular Yoga classes throughout the year for all students, staff and their family members and also planned to organize all India NIT Yoga Championship every year to encourage the yoga aspirants.

NIT-T's help centre to guide students in counselling

SPECIAL CORRESPONDENT

As the organising institute for Central Seat Allocation Board 2019, Ministry of Human Resource Development, the National Institute of Technology - Tiruchi (NIT-T) has established an office with a help centre to guide students for effective participation in counselling process.

Director of NIT-T Mini Shaji Thomas is the chairperson of the CSAB 2019 and co-chairperson of the Joint Seat Allocation Authority (JoSAA) 2019 which will manage and regulate the joint seat allocation for admissions to 107 institutes, including 23 IITs, 31 NITs, 25 IIITs and 28 other government-funded technical institutes.

Admission to IITs is on the basis of JEE (Advanced). NITs, IIITs, Indian Institute of Engineering Science and Technology, Shibpur [IIEST] and other government-funded technical institutes admit students on the basis of JEE (Main). Admission to all the undergraduate academic programmes offered by these institutes will be made through a single platform and coordinated by JoSAA and CSAB for seven rounds.

From this year, 10% reservation will be provided for students belonging to Economically Weaker Sections for admission in central educational Institutions. Moreover, in keeping with the MHRD's decision to improve gender balance in undergraduate programmes at IITs and NITs to 17% (approximately) in 2019-20, supernumerary seats will be specifically created for girl students.

The seat allocation process would involve seven normal rounds, to be conducted by JoSAA- 2019 for admission to IITs and NIT+ system, followed by two special rounds, to be conducted by CSAB 2019, only for NIT+ System.

All candidates who have appeared in JEE (Main) 2019 are eligible to register for seat allocation in NIT+ system (except IITs). All candidates who have been declared qualified in JEE (Advanced) 2019 are eligible to register for seat allocation in all participating institutes including IITs.

Candidates may fill in their choices of institutes and branches in decreasing order of their preference. Candidates are expected to fill in as many choices of their interest as possible, a press release said.

Candidates must "lock" their choices. For candidates who fail to do so, their last saved choices will be locked automatically when the time-window for filling in of choices closes. Once locked, choices cannot be modified. Candidate registration and choice filling for academic programmes under JoSAA ends on June 25. Last round (7th round) of seat allocation will be on July 18. Specifics on seat allocation process could be sourced at JoSAA 2019 portal(<https://josaa.nic.in>).

For more details, contact. S. T. Ramesh (94860 01115) or G. Subbaiyan (98424 81311), Professors and Members of CSAB.

THE TIMES OF INDIA

NIT Trichy to add 28 supernumerary seats to raise female enrolment

TNN | Jun 21, 2019, 06.28 PM IST

TRICHY: National Institute of Technology (NIT) Trichy will add 28 supernumerary seats this year to raise female enrolment to 17% in this academic year and to 20% in 2020-21 academic year.

“Based on the admissions carried out last year, 28 supernumerary seats will be added this year in eight departments,” said an NIT Trichy official.

This apart, 207 seats will be added for economically weaker section.

With this, the number of seats for B Tech and B Arc courses will go up to 1,049 from 831 last year.

NIT to organise admissions to central institutions this year

EXPRESS NEWS SERVICE @ Tiruchy

NATIONAL Institute of Technology Tiruchy (NITT) has been selected as the organising institute for the Central Seat Allocation Board-2019 (CSAB) to coordinate admissions for this year based on the Joint Entrance Examination Mains (JEE Mains) 2019. While admissions to the IITs are done based on the JEE (Advanced) scores, the admissions to the 84 other institutes are carried out based on the JEE (Mains).

For this year, NITT Director Dr Mini Shaji Thomas has been chosen chairperson, CSAB-2019. Hence, the admissions to 31 NITs, 25 IIITs and 28 other government-funded technical institutes (GFTIs) would be overseen by the NIT Tiruchy. IIT Roorkee, is the coordinating Institute for JoSAA 2019 and would be managing the admissions to the 23 IITs across the country based on the JEE (Advanced) scores.

NIT Tiruchy will be coordinating with the National Informatics Centre (NIC) which

will be managing the software dealing with the online counselling. NIT Tiruchy faculty Dr ST Ramesh and Dr G Subbaiyan were named coordinators for the admissions.

Process

The candidates who have qualified for JEE (Mains) will be eligible to apply through josaa.nic.in to register themselves.

July 18 is the last round of admissions.

After which, from July 19 to 23, the candidates must visit the institute where they have been allotted a seat to get admitted

Sources

Here, after filling personal details, they can fill up their choice of institutions according to their priority. Thomas said, "Candidates are advised to fill their choices of institutes from most to least preferred."

This choice filling will be locked after June 25 until 5 pm

after which no changes can be done. After this is the first round on June 27, here, seats will be allotted to the candidates based on ranks. Those who get seats allotted may pay their acceptance fee online.

Following this, the candidates may visit the closest reporting centre for document verification with their original documents and seat acceptance fee receipt.

The candidates have to follow the 'allotted seats' through all seven rounds till the allocation of seats is finalised.

It was conveyed that if in subsequent rounds an NIT, IIIT, GFIT seat changes to IIT or vice-versa, they would have to report to the reporting centre once again.

July 18 is the last round of admissions. After which, from July 19 to 23, the candidates must visit the institute where they have been allotted a seat to get admitted.

For queries on JEE admissions, NIT Tiruchy encouraged candidates to call 0431 2504333, 2504334 or 9489979868. Or mail their query to csab-helpdesk@nitt.edu

NIT-Trichy adds 28 seats to improve gender balance

TNN | Jun 22, 2019, 04.27 AM IST

Trichy: National Institute of Technology (NIT) Trichy will add 28 supernumerary seats this year to increase female enrolment in its undergraduate programmes. This follows the ministry of human resource development's decision to improve the gender balance in UG programmes at IITs and NITs to 17% in 2019-20 by creating supernumerary seats for female students.

“Based on the admissions carried out last year, 28 supernumerary seats will be added this year in eight departments,” a senior faculty member in charge of admissions at NIT Trichy told TOI. There are also reservations for economically weaker sections (EWS) who are not covered under the existing scheme of reservations for the scheduled caste (SC), scheduled tribes (ST) and other backward caste (OBC) up to 10%. This has facilitated an additional 207 seats this year for economically weaker sections thereby taking the total number of seats to 1,049 for its BTech and BArc courses. A total of 831 seats were available for admission last year.

For the first time, NIT Trichy is coordinating the admissions through joint entrance examination (JEE) this year as the organizing institute for central seat allocation board (CSAB-2019) under MHRD. The joint seat allocation authority (JoSAA) 2019 will manage and regulate the joint seat allocation for admissions to 107 institutes for the academic year 2019-20. These include 23 IITs, 31 NITs, 25 IIITs and 28 other-government funded technical institutes.

Mini Shaji Thomas, director, NIT, Trichy is the chairperson of CSAB- 2019 and co- chairperson of JoSAA 2019. IIT Roorkee is the coordinating Institute for JoSAA 2019. An office for CSAB-2019 with a help centre has been set up at NIT Trichy to guide the students for effective participation in the counselling process. Candidate registration and choice filling for academic programmes under JoSAA which started on June 16 ends on June 25. Last round (7th round) of seat allocation will be on 18-07- 2019. For any query related to admission, contact: +91 431 2504333, +91 431 2504334, +91 9489979868, E-mail: csabhelpdesk[at]nitt[dot]edu)

IGNITTE-coached student bags seat in NITT

Today, June 27 2019, marks a momentous day for IGNITTE-the first time a student coached by NITT's dedicated teaching club, has been allotted a seat in that very college- NIT Trichy. G. Jansi from the Perambalur district has bagged a seat in the Civil Engineering Department, Batch of 2019-23.

First off, IGNITTE would like to sincerely thank the NITT administration, the Perambalur District Government and the Phoenix NEET Academy for their unwavering support and aid in this year's project, which involved coaching selected Government School students from Perambalur for competitive exams and helping them with their college counselling as well.

Jansi was trained for JEE Main by members of IGNITTE and the efforts taken by both Jansi and the team have paid off. Till this year, IGNITTE has been able to send students to top-notch Tamil Nadu Government Colleges, but this is the first time a student has been allotted a seat in a National Institute. This just goes to show that a combination of dedication, hard work and perseverance by the

student and teacher really pay off. Jansi put in her all to crack one of the most competitive entrance exams in the country, and IGNITTE members worked tirelessly, day and night, teaching concepts, clearing doubts, setting practice tests, and providing moral support. NIT Trichy Director, Prof. Mini Shaji Thomas congratulated Ms Jansi and the IGNITTE Team for showing such a stellar result. It is not a mean feat for a student to coach another, but the talented and dedicated members of IGNITTE have shown that anything is possible if you are passionate enough. A student guided by our college students getting a admission in the very same college is one of the greatest achievements any college team has ever achieved.

IGNITTE, a social responsibility club entering its fourth year of operation, was first started in 2016 by then- first year student and teaching-enthusiast Sanjeev, which has now grown into a full-fledged organization. In association with Phoenix NEET Academy, a group of doctors providing NEET coaching, the club brings out the hidden potential in underprivileged students with its sincere efforts. Members of the team devote their weekends to conducting coaching classes in the Perambalur Government High School, and the students stay in the college for full- time coaching as the exam nears. The club showed great results in its first two years as well- 40 students cleared NEET 2017. 13 cleared NEET 2016, and 2 cleared JEE Main in 2016 and 2017. IGNITTE has its own online mentoring platform (ignitte.org) for students to get their doubts cleared by the team even when they are not present in the school. The team has also posted east-to-understand YouTube videos for the benefit of the students. In short, IGNITTE aims to ignite hope in the hearts of the students who cannot afford such coaching, and give them an opportunity that will change their future for the better. "Burn to shine" is IGNITTE's motto. We have burnt all our fuel and given our best, and now is our time to shine.

National Academic Depository (NAD)

National Academic Depository (NAD)" is a National System set-up by Ministry of Human Resources Development and University Grants Commission by appointing NSDL Database Management Limited (NDML) and Central Depository Services Limited (CDSL) ventures Ltd., to facilitate Academic Institutions to Digitally, Securely and Quickly issue Online Academic Awards to the Students directly in their online NAD Account. The student can access certificate at any time and authorize employers, banks to view and verify the certificates. In this system, National Institute of Technology, Tiruchirappalli has signed a service level agreement with CDSL on 26.06.2019. The purpose of the system is to bring in a wide range of benefits to Students and Employers/Verifiers in the form of enhanced transparency, reduction in costs, better service standards and above all, mitigates reputation risk by eliminating fake/forged certificates. CDSL Ventures Limited (CVL) is a wholly owned subsidiary of Central Depository Services (India) Limited (CDSL), a leading securities depository in the country. CVL derives its confidence from its team, which has a 'Securities Market Domain Expertise'. CVL has in place a stringent policy and systems to ensure confidentiality of data. Strong electronic and physical security measures ensure security of confidential data. CDSL Ventures Limited (CVL) is a wholly owned subsidiary of Central Depository Services (India) Limited. In addition, to securities market, CVL also makes available the services of Academic Depository to all Academic Institutions via CVL National Academic Depository (CVL NAD). CVL NAD is a system of creating and holding award details in electronic form and making them available for Verification to Employers and those AIs who are offering higher studies.

IGNITTE - a social responsibility club of NITT

IGNITTE - a social responsibility club of NITT - coached Government school student bags admission in NIT Trichy marks a momentous day for IGNITTE-the first time a student coached by NITT's dedicated teaching club, has been allotted a seat in that very college- NIT Trichy. 28th June 2019

Red-letter day for NIT-T's teaching club

Tiruchy: Today is a red-letter day for 'IGNITTE', as for the first time a government school student from backward Perambalur district and coached by NIT-T's teaching club, has been allotted a seat in National Institute of Technology Tiruchy (NIT-T).

An NIT-T release said here on Thursday that the student G. Jansi from Perambalur district, has bagged a seat in the Civil Engineering department batch of 2019-23.

The district administration and Phoenix NEET Academy were also involved in this project to coach select government school students from Perambalur for competitive examinations and

helping them with their college counseling as well.

Ms. Jansi a Government higher secondary school student of Perambalur district was trained for JEE main by members of 'IGNITTE' and the efforts taken by both Jansi and the team have paid off. Till this year, 'IGNITTE' has been able to send students to top-notch Tamil Nadu Government Engineering colleges, but this is the first time a student has been allotted a seat in a National Institute.

Prof. Mini Shaji Thomas, director NIT-T congratulated Ms. Jansi and the 'IGNITTE' team for achieving such a stellar result, the press release added. —DC

Top JEE (Main) rankers opt for NIT, Trichy

As per the first-round seat allotment released by JoSAA on 27 June 2019, 34 students who are in top 1000 in JEE (Main) opted NIT, Trichy as their institute of choice to study B.Tech/B.Arch Programs. NIT, Trichy being the coordinating Institute for CSAB2019 and one of the reporting centres, the first round reporting started today (28 June 2019).

Dr. Mini Shaji Thomas, Director, NIT Trichy handed over the first seat confirmation letter to S. Rohith who has been allotted a seat in B.Tech. Instrumentation and Control Engineering, NIT, Trichy. Dr. S. Shanmugam, Dean (Academic), Dr. R. Karvembu, Dr. M. Perumalsamy, Dr. M.P. Selvan and Dr. T. Ramesh was also present.

In NIT Trichy, 1049 seats will be filled up through JoSAA for B.Arch. and 9 B.Tech. programmes. Among 1049 seats, 50% is allotted for home state (Tamil Nadu) students and remaining for other state students. Out of 1049 seats, 174 seats are reserved for female-only category. This year as per the MHRD direction, 207 seats have been added to implement 10% reservation for Economically Weaker Section (EWS). As NIT, Trichy, being in top among NITs as per NIRF ranking, it is expected to attract quality students.

For the academic year 2019-20, JoSAA conducts seven rounds of centralized counselling for seat allotment. The online registration and choice filling were scheduled during 16 June to 25 June 2019. The first-round seat allotment result was announced on 27 June 2019. The students who have been allotted seat in the first round should report any of the reporting centres listed by JoSAA between 28 June and 2 July 2019.

MHRD, Government of India, has setup Joint Seat Allocation Authority (JoSAA) 2019 to manage and regulate the seat allocation for B.E., B. Tech., B. Arch. and other programmes for admissions into 23 IITs, 31 NITs, 25 IIITs and 28 other Government Funded Technical Institutes for 13583, 21133, 4713 and 5806 seats respectively. The admissions for these programs in these institutes will be made through a single platform and it is completely an online process.

For admission into these institutes, the students have to write Joint Entrance Examination (JEE) examination after their +2 board exam. JEE (Main) is conducted by National Testing Agency (NTA) from this year onwards during January and April.

NITT Signed MoU with Central Depository Services Limited

National Academic Depository (NAD) is a National System set-up by Ministry of Human Resources Development and University Grants Commission by appointing NSDL Database Management Limited (NDML) and Central Depository Services Limited (CDSL) ventures Ltd., to facilitate Academic Institutions to Digitally, Securely and Quickly issue Online Academic Awards to the Students directly in their online NAD Account. The student can access certificate at any time and authorize employers, banks to view and verify the certificates.

In this system, National Institute of Technology, Tiruchirappalli has signed a service level agreement with CDSL on 26.06.2019. The purpose of the system is to bring in a wide range of benefits to Students and Employers/Verifiers in the form of enhanced transparency, reduction in costs, better service standards and above all, mitigates reputation risk by eliminating fake/forged certificates.

CDSL Ventures Limited (CVL) is a wholly owned subsidiary of Central Depository Services (India) Limited (CDSL), a leading securities depository in the country. CVL derives its confidence from its team, which has a 'Securities Market Domain Expertise'. CVL has in place a stringent policy and systems to ensure confidentiality of data. Strong electronic and physical security measures ensure security of confidential data.

CDSL Ventures Limited (CVL) is a wholly owned subsidiary of Central Depository Services (India) Limited. In addition, to securities market, CVL also makes available the services of Academic Depository to all Academic Institutions via CVL National Academic Depository (CVL NAD). CVL NAD is a system of creating and holding award details in electronic form and making them available for Verification to Employers and those AIs who are offering higher studies.

Thanks to IGNITTE Club, govt. school student gets admission in NIT-T

Received coaching for JEE Mains

A government school student coached for JEE Mains by members of a 'social responsibility club' of National Institute of Technology- Tiruchi (NIT-T) has realised her dream of securing admission in the institution.

G. Jansi of Perambalur district, who was imparted training by members of IGNITTE Club of NIT-T, has bagged a B. Tech Civil Engineering seat this year.

Thanks to the support of NIT-T management, Perambalur district administration and Phoenix NEET Academy, students of government schools are given coaching for competitive examinations by IGNITTE Club.

So far, IGNITTE has succeeded in enabling students of government schools to secure admission in top-notch government colleges in Tamil Nadu. This is the first time a student trained by IGNITTE Club has secured a seat at NIT-T. Attributing the student's achievement to a combination of dedication, hard work and perseverance, IGNITTE members say, on their part, they work tirelessly, teaching concepts, clearing doubts, setting practice tests and providing moral support.

Congratulating the IGNITTE team, NIT-T Director Mini Shaji Thomas says G. Jansi 's achievement due to the social responsibility initiative is of great significance for the institution.

Since 2016, when IGNITTE was given a head-start by a then first-year-student Sanjeev, who had a zeal for teaching, members of the Club have been teaming up with Phoenix NEET Academy, a group of doctors providing NEET coaching, to bring out the hidden potential in under privileged students.

Team members devote their weekends to conducting coaching classes in Perambalur Government High School. The students stay in the college for full-time coaching as the exam approaches. The club showed impressive results from the very beginning. Thirteen students cleared NEET in 2016 and the number went up to 40 the next year. And two students cleared JEE Main in 2016 and 2017. IGNITTE has its own online mentoring platform ignitte.org and easy-to-understand YouTube videos.

IGNITTE INITIATIVE

Coached by NIT students, diffabled girl clears JEE hurdle

EXPRESS NEWS SERVICE @Tiruchy

GJHANSI, a 17-year-old girl, is all set to enter the portals of NIT, Tiruchy. What's the big deal, one might wonder. The real story is Jhansi is differently abled and was tutored by students of the very institution she is joining.

Daughter of a truck driver in T Kalathur in Perambalur, Jhansi was coached by volunteers of IGNITTE, an organisation of NIT students who coach underprivileged students to crack competitive exams. IGNITTE president V Sanjeev, who has completed his third year engineering, said, "Several students had

cleared JEE (Mains) in the last years but did not get into NITs. Jhansi is the first. She got Civil Engineering in NIT Tiruchy."

With seat allotted under PwD category Jhansi would not have to pay any tuition fee. She would only have to pay the hostel fee of ₹25,000 per annum.

Sanjeev said Jhansi's family was not comfortable with the idea of sending a girl with physical disability to a distant place. However, NIT's ranking as first among other institutions in the overall National Institutional Ranking Framework (NIRF) ratings convinced them.

Jhansi's elder sister studied only till Class 10 and was married off. Her brother is currently a Class 10 student. Her father, P Govindaraj, is the breadwinner of the family. He doubles up as farm labourer in spare time.

"We did not even know about the existence of institutes or exams until Jansi was selected for training. If not for this initiative, Jansi would not have even attempted the exams," Govindaraj said.

On the initiative of former Perambalur collector Darez Ahamed, Perambalur Government Higher Secondary School began taking in academically-sound students

Jhansi is all set to join NIT

studied in T Kalathur up to Class 10 and because of her strong performance, was taken into Perambalur Government Higher Secondary School.

Speaking about how IGNITTE got involved, Sanjeev said, "In 2016, the then Perambalur collector, Nandhakumar, roped in NIT Tiruchy students to coach others. Ever since, we have been visiting the school every weekend and on vacations to coach students for JEE and NEET."

from rural parts of the district to prepare them for competitive exams. This turned the school into a hub for competitive exam training. Jhansi

"In 2017, 40 students cleared NEET and two cleared JEE (Mains), but Jhansi is the first to get a seat allotted in a central institute," he pointed out.

THE TIMES OF INDIA

Trained by its students, girl makes it to NIT

tnn | Jun 28, 2019, 04.20 AM IST

Trichy: Defying the notion that only the elite can enter centrally-funded technical institutions, G Jansi, an 18-year-old Tamil medium student from the government school in Perambalur district, has secured a seat in National Institute of Technology (NIT) Trichy, top-ranked among NITs in the country.

Unlike her counterparts in the cities who dream for a seat in such elite institutions and prepare for years together to crack JEE main, Jansi wasn't aware of such an institution existing in her neighbouring district a year ago, let alone cracking the joint entrance examination (JEE) for getting admitted there.

Hailing from T Kalathur, a small village in Perambalur, she has been weaving dreams of becoming a doctor like many girls in rural villages in the state. Though unsuccessful in cracking NEET, she has landed in NIT Trichy with an allotment rank of 1,001.

Not realising as to what she has achieved, an unperturbed Jansi told TOI that she has decided to accept the seat. Her education would be free in the institute as she has been selected under the "person with disability" category.

Daughter of a farmer and part-time driver, Govindaraj, her only dream is to get a job after her engineering course to support the family.

Achieving the feat would not have been possible without help from a team of students from NIT Trichy, part of IGNITTE- a teaching club of the institute.

It took a year-long training by them during weekends for her to crack JEE Main which helped her bag a seat in the civil engineering department.

Collaborating with Phoenix NEET Academy, a group of doctors providing NEET coaching, the club members helped in bringing out the hidden potential of underprivileged students. Jansi was among 30 students who scored big in the class 12 state board and were given free residential training by the district administration.

IGNITTE team engaged with them during weekends. President of IGNITTE, V Sanjeev, said that two students had cleared JEE main in last two years after being trained by them. But their scores were not sufficient to get seats in centrally-funded institutions and they finally ended up in Anna University and its affiliated colleges. Jansi is the first student in the last four years to get into a centrally funded technical institution since the inception of IGNITTE.

Making them understand the question pattern in JEE knowing their limited English proficiency was indeed a challenging task for the team, said Sanjeev.

"But we carved out ways to teach them concepts based on their understanding level and the requirement to clear JEE Main," he said.

"Jansi has proved that such institutions are not just for elite or those in cities but also for able students like her who work hard," said NIT director Mini Shaji Thomas.

NIT-Trichy still among top pick for JEE main toppers

34 Of top 1,000 Vouch For Institute

TIMES NEWS NETWORK

Trichy: National Institute of Technology, Trichy (NIT-T) continues to be among the top choices of engineering aspirants in the country. In the first round of admissions here on Friday, 34 of the top 1,000 rank-holders in JEE (main) preferred NIT-T to pursue B.Tech and B.Arch Programmes.

Playing the role of the coordinating institute for central seat allocation board (CSAB 2019), NIT Trichy organized the counselling according to the first round seat allotment released by the joint seat allocation authority (JoSAA) on June 27. NIT-T was also one of the reporting centres for the process. NIT Trichy director Mini Shaji Thomas handed over the first seat confirmation letter to S Rohith who has been allotted a seat in B.Tech Instrumentation and Control Engineering.

In NIT Trichy, 1,049 seats will be filled through JoSAA for B.Arch and nine B.Tech programmes. Among these seats, 50% will be allotted for home state (Tamil Nadu) students and the remaining for other state students while 174 are reserved for females. According to the direction from the ministry of human resource development (MHRD), 207 seats have been added to implement 10% reservation for economically weaker section (EWS) this year.

For the academic year 2019-20, JoSAA will hold seven rounds of centralized counselling for seat allotment. The on-

NIT-T signs MoU with central depository service provider

TIMES NEWS NETWORK

Trichy: National Institute of Technology, Trichy signed a memorandum of understanding (MoU) with central depository services limited (CDSL) to securely keep the academic awards and issue them quickly to the students besides providing other benefits to the students, here on Thursday

NIT Trichy inked a service-level agreement with CDSL in a function at the NIT-T premises. Director of the institute, Mini Shaji Thomas, exchanged the MoU with A R Vaasudevan, se-

nior manager - regional head-TN, CDSL.

The objective of the system was to bring in a wide range of benefits for students and employers and verifiers in the form of enhanced transparency, reduction in costs, better service standards and above all, mitigation of reputation risk by eliminating fake or forged certificates.

National Academic Depository (NAD) is a national system set-up by ministry of human resources development and university grants commission (UGC) by appointing NSDL Database Management Limited

(NDML) and CDSL ventures Ltd to facilitate academic institutions to digitally, securely and quickly issue online academic awards to the students directly on their online NAD Account. The students can access certificate at any time and authorize employers, banks to view and verify the certificates. Being a wholly owned subsidiary of CDSL, CDSL Ventures Limited (CVL) is a leading securities depository in the country, said a press release from NIT-T. It also added that CVL has in place a stringent policy and systems to ensure confidentiality of data.

line registration and choice filing were scheduled during June 16 to 25 and the first round seat allotment result was announced on June 27. Students who have been allotted seats in the first round should report at

any of the reporting centres listed by JoSAA between June 28 and July 2.

The MHRD has set up Joint Seat Allocation Authority (JoSAA) 2019 to manage and regulate the seat allocation for BE,

B.Tech, B.Arch. and other programmes for admissions to 23 IITs, 31 NITs, 25 IIITs and 28 other government-funded technical institutes for 13,583, 21,133, 4,713 and 5,806 seats respectively.

Allotment of seats begin in NIT-T

Tiruchy: As per the first round seat allotment released by JoSAA on Friday, 34 students who are in top 1000 in JEE (Main) opted for National Institute of Technology-Tiruchy (NIT-T) as their institute of choice to study B.Tech/B.Arch programs. NIT-T being the coordinating Institute for 'CSAB 2019' and one of the reporting centres, the first round reporting started on Friday. A NIT-T release said that Prof. Mini Shaji Thomas, director, NIT-T handed over the first seat confirmation letter to S. Rohith, who has been allotted a seat in B.Tech Instrumentation and Control Engineering. In NIT-T 1,049 seats will be filled up through JoSAA for B.Arch and nine B.Tech programmes.

MoU for maintaining digital database of academic awards

TIRUCHI, JUNE 29, 2019 21:27 IST

UPDATED: JUNE 29, 2019 21:27 IST

SPECIAL CORRESPONDENT

National Institute of Technology - Tiruchi (NIT-T) has signed an agreement with Central Depository Services Limited (CDSL ventures Ltd.) for maintaining a digital database of academic awards given to the students, directly in their online National Academic Depository (NAD) Account.

A National System set up by Ministry of Human Resources Development and University Grants Commission, the NAD has, through CDSL and NSDL Database Management Limited (NDML), paved way for students to access certificate at any time, and authorise employer and banks to view and verify the certificates.

The service-level agreement with CDSL would bring in a wide range of benefits to students and employers/verifiers in the form of enhanced transparency, reduction in costs, better service standards and above all, elimination of fake/forged certificates, Director of NIT-T Mini Shaji Thomas said.

The NIT-T Director exchanged MoU documents with AR. Vaasudevan, Senior Manager - Regional Head-TN, CDSL, on Wednesday.

CDSL Ventures Limited (CVL) is a wholly owned subsidiary of Central Depository Services (India) Limited (CDSL), a leading securities depository in the country. Deriving confidence from its Securities Market Domain Expertise, the CVL has in place a stringent policy and systems to ensure confidentiality of data. Strong electronic and physical security measures ensure security of confidential data, a release said.

CVL makes available the services of Academic Depository to all Academic Institutions via CVL National Academic Depository (CVL NAD), the release said.

NIT-T's first candidate chooses B.Tech Instrumentation and Control Engineering

TIRUCHI, JUNE 29, 2019 21:21 IST

UPDATED: JUNE 29, 2019 21:21 IST

SPECIAL CORRESPONDENT

The candidate admitted first to the National Institute of Technology - Tiruchi (NIT-T) under the first round seat allotment released by Joint Seat Allocation Authority (JoSAA) 2019 has chosen B.Tech. Instrumentation and Control Engineering.

Director of NIT-T Mini Shaji Thomas handed over the seat confirmation letter to the candidate S. Rohith in the presence of S. Shanmugam, Dean (Academic). A total of 1,049 seats are to be filled up through JoSAA for B.Arch. and nine B.Tech. programmes. Fifty percent of the seats are for home State (Tamil Nadu) students and remaining for other State students. Of the total, 174 seats are reserved exclusively for female students. This year, as per the MHRD direction, 207 seats have been added to implement 10% reservation for Economically Weaker Sections (EWS).

Ranked first among the NITs by NIRF, the NIT-T is expected to attract quality students. For the academic year 2019-20, JoSAA conducts seven rounds of centralised counselling for seat allotment. The online registration and choice filling were carried out from June 16 to 25, and the result of the first round of seat allotment was announced on Thursday.

The students who have been allotted seat in the first round have been instructed to report to any of the reporting centres listed by JoSAA from June 28 to July 2. After the first round, 34 students who are in top 1,000 in JEE (Main) opted NIT-T as their institute of choice to study B.Tech/B.Arch Programmes, Prof. Mini Shaji Thomas said in a press release.

NIT-T, being the coordinating Institute for CSAB (Central Seat Allocation Board) 2019, is one of the reporting centres.

Admissions to B.E., B. Tech., B.Arch. and other programmes in 23 IITs, 31 NITs, 25 IIITs and 28 other Government Funded Technical Institutes are to be made through the Joint Seat Allocation Authority (JoSAA) 2019. There are 13,583 seats in the IITs; 21,133 in NITs; 4,713 in IIITs; and 5,806 seats in other government-funded technical institutes.

34 JEE toppers opt for NIT Tiruchy

EXPRESS NEWS SERVICE

@Tiruchy

WITH the first round of seat allotment released by Joint Seat Allocation Authority (JoSAA) on June 27 it was learnt 34 students in the top 1000 have opted for NIT Tiruchy.

NIT Tiruchy Director Mini Shaji Thomas handed over the seat confirmation letter personally to S Rohit who was allotted B.Tech Instrumentation in his first round. Dr S Shanmugam, Dean (Academic) and others were also present during this.

NIT Tiruchy this year will

be taking in 1049 seats that will be filled up through JoSAA in B. Arch and and nine B.Tech courses.

Among the 1049 seats, 50% is allotted for Tamil Nadu under the home state quota. Also, 174 seats have been reserved for female candidates this year.

In addition to this 207 seats have been added to implement the Economically Weaker Section (EWS) reservation as mandated by the Ministry of Human Resource Development.

In a statement from the in-

stitution they conveyed that with NIT Tiruchy consistent in its top position among other NITs in the NIRF ranking and its betterment in the overall ranking, 9th in engineering colleges it was expected to attract more quality students.

JoSAA would regulate the seat allocation for B.E., B. Tech, B. Arch. and other programmes for admissions into 23 IITs, 31 NITs, 25 IIITs and 28 other Government Funded Technical Institutes it will be through a single platform which is online. The 34 students had selected NIT Tiruchy.

அரசுப் பள்ளி மாணவிக்கு என்ஐடி-யில் இடம்

இக்னைட் குழுவின பயிற்சிக்கு கிடைத்த வெற்றி

திருச்சி ஜூன் 27: திருச்சி தேசிய தொழில்நுட்பக்கழகத்தில் இயங்கி வரும் இக்னைட் பயிற்சி மையம் மூலம் இலவசமாகப் பயின்ற பெரம்பலூர் அரசுப் பள்ளி மாணவிக்கு அதே நிறுவனத்தில் பொறியியல் படிக்க இடம் கிடைத்துள்ளது.

திருச்சி மற்றும் சுற்றுப்பகுதி மாவட்டங்களில் உள்ள அரசுப் பள்ளி மாணவர்கள் மற்றும் பொருளாதாரத்தில் பின்தங்கிய குடும்பத்தைச் சேர்ந்த மாணவர்களுக்கு மருத்துவம் மற்றும் பொறியியல் படிப்புகளில் சேருவதற்கான நீட், ஜேஇஇ போட்டித் தேர்வுகளை எதிர் கொள்ள திருச்சி தேசிய தொழில்நுட்பக் கழகத்தின் மூலம் பயிற்சியளிக்கப்படுகிறது.

2016 ஆம் ஆண்டு தொடங்கப்பட்ட இக்னைட் பயிற்சி மையத்தின் மூலம் யூடியூப் மூலமாகவும், ஆடியோ, விடியோ பதிவுகள் மூலமாகவும் மாணவர்கள் அவரவர் இருப்பிடத்திலிருந்தே பயிற்சி பெறலாம். மேலும், திருச்சியில் உள்ள பயிற்சி மையத்துக்கும், மாவட்டந்தோறும் மாவட்ட நிர்வாகம் அமைப்பின்பேரில் நடத்தப்

படும் நேரடிப் பயிற்சி வகுப்புகள் மூலமும் போட்டித் தேர்வுகளுக்கு தயார்படுத்தப்படுகின்றனர்.

இந்த வகையில் பெரம்பலூர் மாவட்டத்தைச் சேர்ந்த மாணவர், மாணவிகளுக்கு நேரடியாக வார இறுதி நாள்களில் இக்னைட் குழுவினர் பயிற்சி அளித்தனர். தேர்வுகளை எதிர்கொள்ளும் முறை, தேர்வுகளில் சேர்க்கப்படும் கேள்விகள் மற்றும் அவற்றுக்கான சரியான விடைகள், தவறின்றி தேர்வு எழுதுதல் உள்ளிட்டவை குறித்து கற்றுத்தரப்பட்டன. இதில், பயின்ற பெரம்பலூர் அரசுப் பள்ளி மாணவி ஜி. ஜான்சி, ஜேஇஇ தேர்வில் தேர்ச்சி பெற்று திருச்சி என்ஐடி-யில் சிவில் இன்ஜினியரிங் பிரிவில் இடம்பிடித்துள்ளார்.

இதுதொடர்பாக, என்ஐடி இயக்குநர் மினி ஷாஜி தாமஸ்குறியது: இக்னைட் குழுவின முயற்சியால் ஆண்டுதோறும் பல மாணவர்கள் நீட், ஜேஇஇ தேர்வில் தேர்ச்சி பெற்றாலும் அரசுப் பள்ளி மாணவி ஒருவர் தேர்ச்சி பெற்று

மாணவி ஜி. ஜான்சி

திருச்சி என்ஐடி-யில் முதல் சுற்றிலேயே இடம் பிடித்திருப்பது பெருமைக்குரியது. இக்னைட் குழுவினரின் இரவு, பகல் பாராத சுடன உழைப்பு மற்றும் மாணவியின் திறமைக்கு கிடைத்த வெற்றியாகும் என்றார்.

இக்னைட் குழுவின தலைவர் வி. சஞ்சீவி கூறி

யது:

2016இல் அளிக்கப்பட்ட பயிற்சியில் 13 மாணவர்கள் நீட் தேர்விலும், 2 மாணவர்கள் ஜேஇஇ தேர்விலும் தகுதி பெற்றனர். 2017இல் 40 மாணவர்கள் நீட் தேர்விலும், 2 மாணவர்கள் ஜேஇஇ தேர்விலும் தகுதி பெற்றனர். இப்போது, பெரம்பலூரில் நடந்த பயிற்சி வகுப்பில் அரசுப் பள்ளி மாணவி தேர்ச்சி பெற்று திருச்சியிலேயே இடம் பிடித்துள்ளார். அரசுப் பள்ளி மாணவர்களிடையே புதைந்துள்ள திறமைகளை வெளிக்கொணர்ந்து இந்தியாவில் தலைசிறந்த உயர்கல்வி நிறுவனங்களில் இடம் பிடித்து தருவதே எங்களது குறிக்கோளாகும் என்றார் அவர்.

என்ஐடியில் சேர அனுமதி கடிதம்

திருச்சி ஜூன் 29-

திருச்சி என்ஐடியில் படிப்பதற்கு தேர்ச்சி பெற்ற மாணவர்களுக்கான அனுமதி கடிதத்தை இயக்குனர் மிவி சாஜி தாமஸ் வழங்கினார்.

மனித வள மேம்பாட்டு அமைச்சகத்தால் அமைக்கப்பட்ட கூட்டு இட ஒதுக்கீடு அதிகார அமைப்பு மற்றும் 28 பிற அரசு உதவி பெறும் தொழில்நுட்பக் கல்லூரிகளில் தரவரிசை அடிப்படையில் மாணவர்களுக்கான இடம் ஒதுக்கீடு

செய்யப்படுகிறது. அதன் அடிப்படையில் திருச்சி என்ஐடியில் ஆயிரத்து 49 இடங்களில் 50 சதவீதம் தமிழக மாணவர்களுக்கும், 50 சதவீதம் பிற மாநில மாணவர்களுக்கும் ஒதுக்கீடு செய்யப்படுகிறது. இதில் 174 இடங்கள் மாணவிகளுக்கு ஒதுக்கீடு செய்யப்பட்டுள்ளன.

தேர்வு செய்யப்பட்ட மாணவர்கள் ஜூன் 28 முதல் ஜூலை 2ம் தேதி வரை அறிவிக்கப்பட்ட மையங்களில் சான்றிதழ்களை சர்பார்த்து இட ஒதுக்கீட்டுக்கான

ஆணையை பெற்றுக் கொள்ள வேண்டும். அவ்வாறு பெற்றுக் கொள்ளாத மாணவர்களின் இடங்கள் தரவரிசை அடிப்படையில் பிற மாணவர்களுக்கு ஒதுக்கப்படும்.

திருச்சி என்ஐடியில் நேற்று நடந்த நிகழ்ச்சியில் கல்லூரியில் சேர்வதற்கான முதல் ஆணையை மாணவர் ரோகித்துக்கு என்ஐடி இயக்குனர் மிவி சாஜி தாமஸ் வழங்கினார். நிகழ்ச்சியில் பேராசிரியர்கள் கார்வேம்பு, சண்முகம் உட்பட பலர் கலந்து கொண்டனர்.

திருச்சி என்ஐடியில் நடந்த நிகழ்ச்சியில் மாணவர் ரோகித்துக்கு கல்லூரியில் சேர்வதற்கான ஆணையை என்ஐடி இயக்குனர் மிவி சாஜி தாமஸ் வழங்கினார். அருகில் பேராசிரியர்கள் கார்வேம்பு, சண்முகம் உட்பட பலர்.
