**Detailed report on the Student Council Election 2023 - 24 - reg**

The Student Council election for the academic year 2023 - 24 was conducted on April, 25, 2023. It is conducted at the Third - i (Marigold lab) from 1:30 PM to 9:30 PM. The final list of contestants can be found at [Eligible Candidates](#).

Mr. K. Srinivasan from CSG extended his support to design the election portal, and he was present in the lab continuously till the end of the election.

The students reported the election venue with their original institute identity cards. The hostel wardens, resident student counselors (RSCs) and the hostel assistant managers (HAMs) extended their cordial support to verify the identity of the students. They were also vigilant inside the marigold lab to monitor any kind of fraudulent vote casting.

The online election portal got auto closed at 9:30 PM. However, considering the case of 4<sup>th</sup> year B.Arch. students who were doing internships outside the NIT campus the election portal was reopened between 10:00 PM to 11:00 PM ONLY for 4<sup>th</sup> year B.Arch. students.
