Awareness Programme on
NIMCET and JAM (Mathematical Statistics) Tests
Department of Computer Applications
National Institue of Technology Tiruchirappalli-620 015

NIT Trichy

National Institute of Technology, Tiruchirappalli, commonly known as, NIT-Trichy (NITT), is an Institution of National Importance under the Ministry of Human Resource Development, Government of India and completed Golden Jubilee in 2014.

Department of CA

Department of Computer Applications (CA) is one of the pioneering departments of the institution that offers three full-time post-graduate programmes Master of Computer Applications (MCA) accredited by NBA, Master of Science in Computer Science and M.Tech in Data Analytics. MCA at NITT is one among the top five offering MCA courses in the country. The students of the department are provided with ample opportunities to improve their organisational skills and group dynamics.

Entrance Examinations

Admissions to MCA is done through NIMCET test. Students are admitted to the two-year M.Sc. (Computer Science) programme through Centralized Counselling for M.Sc. to NITs (CCMN) using Joint Admission Test (JAM) score in Mathematical Statistics. JAM TEST is a National Level Examination conducted by the Indian Institute of Technology (IIT). Whereas for M.Tech. DA, admissions are through CCMT.

Awareness Program

A one day awareness event on NIMCET and JAM in Mathematical Statistics is scheduled on December 10, 2019.
