

HORIZON'22

28th National Level Student's
Symposium on

"NANO" STRUCTURE— IMMENSE APPLICATIONS

24th & 25th March

Organized by

Department of Chemistry
(DST-FIST sponsored)
National Institute of Technology, Tiruchirappalli
Tamil Nadu - 620015

Patron

Director, NITT

Faculty Advisor/ Convener

Dr. Sunandan Sarkar
Assistant Professor
Department of Chemistry, NITT

Organizing Committee

Dr. S. Velmathi (HOD, Chemistry)
Dr. L. Cindrella
Dr. R. Karvembu
Dr. S. Anandan
Dr. V.M. Biju
Dr. A. Sreekanth
Dr. G.C. Nandi
Dr. Sunandan Sarkar
Dr. Sarthak Mandal
Dr. Baby Viswambharan
Dr. Jothi Lakshmi Nallasivam

Student Coordinator

Mr Kundan Kumar Ojha (+918651759011)
Mr Mukul Kumar (+917291874797)
Mr Sukhvant Singh (+917340099600)

HONOURABLE GUEST SPEAKERS

Prof. Amitava Patra

Director, Institute of Nano Science and Technology
(INST), Mohali

Dr. Chiranjib Majumder

Scientist, Chemistry Division, Bhabha Atomic
Research Centre, Mumbai

Prof. Manoj B. Gawande

Associate Professor, Institute of Chemical Technology,
Mumbai

REGISTRATION FEES

₹100 (for 3 events)
+₹25 for each additional event that
you take part in!!

- E- certificates would be provided to all the participants.
- No limitation on the number of participants from each college.

participate in Horizon'22

EVENTS

Chem-E Quiz

Unlocking knowledge at the speed of thought!

Chem-ictionary

Join the dots & reveal the chemistry!

Memestry

Keep calm & meme on!

Photography

Only a photographer can see the life through a lens.

Mr. & Ms. Horizon

Talents are meant to be shared, show us your extraordinary perseverance and win prizes!!

I'm expert in

Perfect stage to be yourself.

Catchy Clue

If you got the brains, this game is for you.

Presentation

Express your knowledge with the art of delivery.

Win & get
Cash Prizes
upto
₹15,000

About the Institute

National Institute of technology, Tiruchirappalli, is a formidable name in Indian engineering and technology, ranked first among all the NITs by NIRF for 6 years in a row. It is a dream destination for every aspiring engineer, post graduate and researcher.

About the Department

The Department of chemistry was established in 1971, one of the oldest chemistry departments in India. The department stands at the forefront of academic research and boasts of world-class research infrastructure. The research activities of the department are funded by MHRD, UGC, CSIR, DST, DRDO, etc.

About Horizon

In carrying out the legacy of inviting the young minds in an around scientific communities for all these decades.

We are bringing for you Horizon'22 focussing on Nanoscience and Nanostructures which has a very wide range of application in both research and industries!
