ABOUT THE INSTITUTE

The National Institute of Technology (formerly known as Regional Engineering College) Tiruchirappalli, situated in the heart of Tamil Nadu was started as a joint and co-operative venture of the Government of India and the Government of Tamil Nadu in 1964 with a view for catering the needs of man-power in technology for the country. NIT-Trichy is one of the 31 NITs established by the Government of India. The institution offers UG Courses in ten branches and PG Courses in twenty-one disciplines of Science, Engineering & Technology besides M.S. (by Research) and Ph.D. in all the departments.

ABOUT THE DEPARTMENT

Department has a long history of providing PG in General Chemistry and Research Program in frontier areas of chemistry and acquires excellent facilities, sophisticated instruments and well equipped laboratories. The department has been affianced in imparting the highest level and quality of academic education and has focused upon addressing key scientific problems which have gathered national level appreciation. The department has been receiving funds from various funding agencies like MHRD, CSIR, DRDO, DST etc.

SCOPE OF THE COURSE

Council of Scientific & Industrial Research (CSIR), India, a premier national R & D organisation, is among the world's largest publicly funded R & D organisation. CSIR's pioneering sustained contribution to Science & Technology human resource development is acclaimed nationally. HRD Group has been contributing significantly towards producing an inquiring society and fast growing knowledge economy.

CSIR provides Research Fellowships and Associateships to bright young men and women for pursuing Ph.D. and higher studies in University Departments/ Institutes of national importance and National Laboratories in various fields of Science, Technology and Medical Sciences through an examination.

Various topics of CSIR-NET syllabus will be discussed (with plenty of questions and answers) in the short term course by experts from R&D labs and Academic institutions which include: IIT, IISER, NIT & Universities.

Faculties, Research scholars and PG students in chemistry from all the academic institutions are eligible to apply. **The number of participants is restricted to about 200.**
