

## EMERGING ADVANCED MATERIALS FOR CLEAN AND SUSTAINABLE ENERGY APPLICATIONS

### About SPARC

The Scheme for Promotion of Academic and Research Collaboration (SPARC), an initiative of Ministry of Human Resource Development, Govt. of India, aims at improving the research ecosystem of India's higher educational institutions by facilitating academic and research collaborations.

### Objectives

- => Address major national problems.
- => Expose Indian academicians to the best collaborators abroad.
- => Enable international faculty to stay in India for longer durations.
- => Provide Indian students opportunities to work in world-class laboratories.

### Who Should Attend?

- PG Students
- PhD Scholars
- Post-Doc Fellows
- Faculty
