

ABOUT NITT:

The National Institute of Technology, Tiruchirappalli (NIT-T), formerly known as Regional Engineering College, Tiruchirappalli (RECT) is one of the technical institutes started by the Government of India. RECT was imparting quality education since its inception - 1964-65. In 2003, the institution has been granted 'Deemed to be University' status with the approval of UGC/AICTE. With a cream of engineering and management talent, encompassing exuberant students and inspiring faculty, integrated with State-of-the-art infrastructure facilities, NIT-T today has emerged as one of the premier institutions in the country.

ABOUT THE DEPARTMENT:

The Department of Computer Science and Engineering offers an undergraduate program, post-graduate program and research degrees (M.S. & Ph.D.) in various emerging fields of Computer Science and Engineering. The vision of the Department is to produce creators of innovative technology. The Department is recognized for excellence in research, teaching and service to the profession.
