

# Indian Internet Research and Engineering Forum C-DAC Bangalore National Institute of Technology (NIT), Trichy

Welcomes you to a workshop on  
**Internet Protocol Standards**

**Date: 29-07-2016**

**Timings: 10:00 AM to 1:00 PM**

**Venue: A-2 Conference Hall, NIT Trichy**

## About the Program:

The Department of Computer Applications National Institute of Technology-Tiruchirappalli and C-DAC Bangalore along with Indian Internet Research and Engineering Forum-IIREF invite participants for One day workshop on "Internet Protocol Standards". The Objective of the program is to bring in the awareness towards the contribution to IETF Standards, where in the Internet protocols are drafted and later accepted as standards by the community. This program will throw light on the IETF process followed for development and acceptance of Internet Protocols.

## About CA Department:

The Department of Computer Applications is one of the pioneering departments of the institution that offers Information Technology courses and one among the top five institutes offering MCA courses in the country. It is committed to impart quality education in the sub-fields of IT, a field growing in leaps and bounds. The department currently offers two full-time post-graduate programmes MCA and MSc (Computer Science) and PhD programme.

## Highlights:

- + No Registration fee.
- + Only limited seats(100) are available on the basis of First Come First Serve.
- + Participation certificate will be issued.

## Who should attend:

We encourage and seek participation from faculty members and Ph.D Scholars pursuing research in areas of Internet Protocol and Security issues, who would be highly benefited by this programme. Industry members and young engineers who would like to contribute to the same are also invited.

## Important Date:
