KEY STRENGTHS – BRAND NIT TRICHY

Academic Excellence

- Flexible Curriculum-Recognition from NIT Council
- Competitive Faculty & Scholars
- Washington Accord- NITT selected for process

Research & Innovation

- Quality Publications (WoS and Scopus)
- Innovation and entrepreneurship – CSR Funds

Industry Collaborations

- Best in class Industry collaboration
- Alumni in top echelons across fields
- Excellent campus placement
- Significant community & SME development focus

Infrastructure

- 800+ acre Self-contained, Safe and Green Campus
- State-of-the-art R & D Infrastructure
- Infrastructure and Competencies in ICT
- Hosted IIM Trichy/IIIT Trichy

NABL Accredited Laboratory

VISION

To be a globally competent university trusted for its technical excellence where learning and research integrate to sustain society and industry

MISSION

NIT Tiruchirappalli actualizes its vision by:

- offering state-of-the-art undergraduate, postgraduate, doctoral and modular programmes in multi-disciplinary and emerging areas
- creating a converging and inter-disciplinary technical learning environment to serve the needs of a dynamically evolving society
- promoting innovation for sustainable solutions by forging global collaborations in cutting-edge research
- being an intellectual ecosystem where human capabilities can fully develop

CORE VALUES

Integrity

Honest in intention, fair in evaluation, transparent in deeds and ethical in our personal and professional conduct that stands personal and public scrutiny.

Excellence

Commitment to continuous improvement coupled with a passion for innovation that drives the pursuit of the best practices; while achievement is always acknowledged, merit will always be recognized.

Unity

Building capacity through trust in others' abilities and cultivating respect as the cornerstone of collective effort.

Inclusivity

No one left behind; no one neglected; none forgotten in the mission of nation-building through higher learning.

Vision and Mission

- **Mission 1**

- To offer state-of-the-art undergraduate, postgraduate, doctoral and modular programmes in multi-disciplinary and emerging areas

STUDENTS' DISTRIBUTION

$$4775 + 1593 = 6368$$

- Cultural unity with students drawn from all the states in the country
- 50% of the UG students from other states
- 25% of students are girls

Curriculum Design

- **Flexible curriculum: Kakodkar Committee Recommendations**
 - Choice based curriculum with Honors and Minors
 - Flexibility in Content Delivery, Flipped class rooms (Digital mode)
 - Flexibility in the modes of assessment for every subject (Tailor made)
 - Leading to a Deterministic Course Plan
 - Teacher - facilitator, Students learning at their pace
- **Minors and Open Electives**
 - There are three kinds of electives a student may choose from
 - Programme Electives
 - Open electives
 - Minor electives

Course Plan

- The course plan will have
 - details of the overview of the course,
 - course objectives,
 - course outcome,
 - course teaching and learning activities and
 - course assessment methods and
 - reassessment policy.
- The course plan shall be approved by the class committee chairperson (CC) and the HoD of the Department offering the course.
- Uploaded on the Intranet (<http://courseplan.nitt.edu/>)

Curriculum Delivery

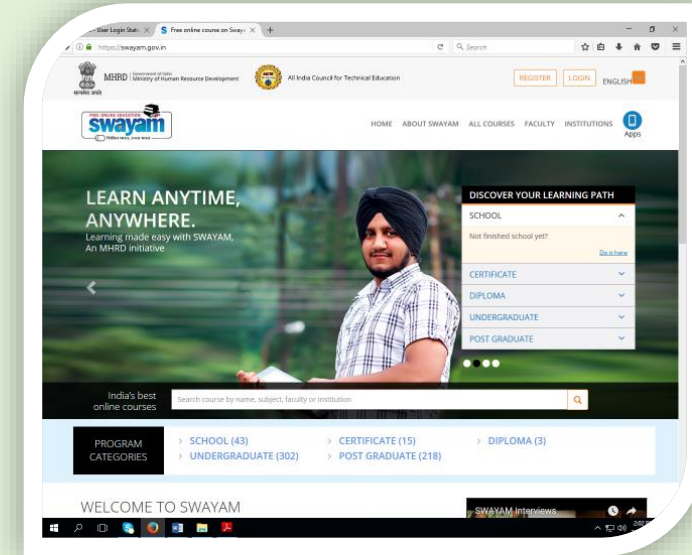

- **Digital intervention in Flexible curriculum:**
 - Implementation is made easy through e-governance
 - Intranet facility in the institute is extensively utilized
 - Establishment of Teaching Learning Center (TLC)
 - Virtual Class rooms for video conference lectures
 - Campus wide communication facility to access e- resources
 - Transformation in pedagogy methods:
 - Facility to Record the lectures of faculty members
- **Flipped classrooms**
 - Uploading video lectures on the faculty webpage
 - Interactive lectures of Industrial experts
 - On-line quizzes
 - Group assessments and field visits
 - Digital sources of knowledge : NPTEL, MOOCS, etc.

Assessment models

- Each course will have tailor-made assessment models viz.
 - group tasks,
 - assignments,
 - report on field visit,
 - quizzes,
 - open book tests,
 - laboratory exercises,
 - mini-project and end of session summative assessment.
- The course plan will also have details of attendance requirements, academic Integrity and plagiarism and information on study materials.

Digital Initiatives

- **Virtual Class rooms**
 - Twenty class rooms in Lecture Hall complex converted as low cost virtual class rooms
 - Ten class room in PG lecture Hall complex to be converted as full fledged VCR
- **National Knowledge Network (NKN)**
 - NKN interconnects the Govt institutions including IITs, NITs through high bandwidth internet
- **Activities through VCR & NKN**
 - Interaction with Non Ferrous Materials Technology Development Centre (NFTDC), Gas Turbine Research Establishment (GTRE) for R&D projects
 - **National Academic Depository (NAD)**

SWAYAM PLATFORM

**Upto 12 credits by
MOOCS**

TESTIMONIALS

“Considering the academic achievements, infrastructure and placement records, it feels amazing to have got here despite the heavy competition. The student atmosphere is interesting and the campus is comfortable and appealing.”
Lak Tshering Lepcha, 1 year EEE student from Bhutan.

“India is one of the most culturally diverse countries in the world and NIT, Trichy perfectly represents this diversity. In addition, it has high academic quality, plenty of extra-curricular activities, sports, festivals, clubs and workshops which are fully managed by students, thus making it an amazing learning experience.”
Muhammad Fazil Jalali, 1 year EEE student from Afghanistan

“Coming from DPS Indonesia, what I could say about NIT, Trichy is that, the life here is very competitive and challenging. And that's what makes you better. This place has an active participation of more than 50 clubs, both technical and non-technical. With them every student, whether academically oriented or otherwise has various platforms to exhibit and pursue their talents. If you're ready to stand up on your feet and pursue what attracts you, then you're at the right place.”
M. Sudarshan Balaji, 4th Year CSE, Indonesia.
