ABOUT NIT, TRICHY

National Institute of Technology (formerly known as Regional Engineering college) Tiruchirappalli is one of the premier Institutions in India and is well known for its high standards in teaching and research. It offers 10 Undergraduate and 23 Postgraduate programs in disciplines spanning Engineering, Science, Architecture and Management. It has been declared as an institute of National Importance by the Government of India under NIT Act. NIT Tiruchirappalli is rated as No.1 among all NIT's. NIT-T has been ranked 9th among all Engineering Institutions in the Country by NIRF. The Institute has signed MoUs with various Industries and Institutions both in India as well as in abroad to promote collaborative research and consultancy. NIT-T is keen in promoting startup and technology transfer activities among the Faculty and Students.

ABOUT NRDC - IFC - NITT

Innovation is very much essential for the sustainable industrial and economic growth. To motivate the R&D output in terms of innovations, National Research Development Corporation (NRDC), Government of India establishes Innovation facilitation Centers at research institutions. The main objective of this center is to motivate industry oriented innovative scientific research and Intellectual Property (IP) oriented technology development. The Innovation Facilitation Centre (IFC) at NITT promotes innovation activities and facilitates the transfer of technology to the industry and entrepreneurs.

ABOUT THE PROGRAMME

Firstly, this programme will address the importance of innovation and how to connect the dots to arrive an innovative technology/product. Secondly, the IPR aspects will be dealt elaborately. Thirdly, the development of a commercially viable technology will be addressed. Finally, the importance of startup and its benefit to the nation will be dealt. The other focus of this programme is to accelerate the technology transfer from Educational Institutions and this will create a strong link between the Industry and Academia. This workshop will provide essential steps, tips, strategies and ideas for launching the startups.

TOPICS TO BE COVERED

- ✍ IPR and IP support systems
- ✍ Innovation and Technology transfer models
- ✍ Ecosystem supporting technology transfer and industry collaboration
- ✍ Schemes of incentives and support for start ups
