IMPORTANT DATES

Last date for receiving registration form : 14.12.2016

Intimation of selection (By email only)   : 15.12.2016

ADDRESS FOR CORRESPONDENCE

Dr. V. Anandakrishnan
Department of Production Engineering
National Institute of Technology
Tiruchirappalli-620015, Tamil Nadu, India.
Mobile : 9842167599; 9994373486 ; 9443430246.
E-mail : krishna@nitt.edu.

ABOUT NATIONAL INSTITUTE OF TECHNOLOGY

The National Institute of Technology (formerly known as Regional Engineering College) Tiruchirappalli was started as a joint and co-operative venture of the Government of India and the Government of Tamil Nadu in 1964 with a view to catering to the needs of man-power in technology for the country.

ABOUT THE DEPARTMENT

The Department of Production Engineering established in the year 1983, strives towards excellence in the field of manufacturing and industrial engineering. The vision of the department is to become a centre of excellence for learning, research and model manufacturing. The department offers B.Tech. (Production Engineering) M.Tech. (Manufacturing Technology, Industrial Engineering and Management), M.S and Ph.D. programs. Government of India has recognized this department as a centre for Quality Improvement Programme in PG and Ph.D. The department has produced more than 100 PhDs.

ABOUT THE COURSE

This one week workshop emphasize on current issues in manufacturing faced by leading industries and defence laboratories. It focuses on the problems and its solutions exploring the significance in the need of novelty in material, process planning and supply chain, along with the importance of intellectual property rights. The course is designed to provide knowledge and also to confer towering research background.

REGISTRATION FEE

Faculty/Research Scholars from academic institutions and participants from industries: Rs.660/- (Food & accommodation is provided free of charge)

HOW TO APPLY

The duly filled in registration form should be sent to any one of the coordinators along with a demand draft drawn in favour of **"The Director, National Institute of Technology"**, payable at Tiruchirapalli-15.

TEQIP - II Sponsored Workshop on CURRENT CHALLENGES IN MANUFACTURING - LEADING TO INNOVATION

(19th – 24th December 2016)

Coordinators

Dr. V. Anandakrishnan

Dr.-Ing. M. Duraiselvam

Dr. P. Parthiban
