NIT-TIRUCHIRAPPALLI OVERVIEW

The National Institute of Technology, Tiruchirappalli (NIT-T), formerly known as Regional Engineering College, Tiruchirappalli (RECT) is one of the technical institutes started by the Government of India. RECT was imparting quality education since its inception 1964-65. In 2003, the institution has been granted 'Deemed to be University' status with the approval of UGC/AICTE. With a cream of engineering and management talent, encompassing exuberant students and inspiring faculty, integrated with State-of-the-art infrastructure facilities, NIT-T today has emerged as one of the premier institutions in the country.

The Department of Humanities and Social Sciences (formerly, the Department of Humanities) has been in existence since 2004. To meet the existing demands of industry, business, public and private organizations, academic and human services, the department has constantly striven for a practical curriculum with a high degree of professional relevance, enabling students to face real time challenges. Accordingly, the Department has been offering a wide range of core and elective courses to undergraduates and postgraduates. The Department has been offering a full-fledged M.A. and Ph.D. programs and has produced quality research work in novel areas of Humanities and Social Sciences. Recognizing the growing demand for humanities-based courses, the Department also offers elective Courses in Economics and in Language/Literature.

ABOUT DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES, NIT-T

ABOUT DEPARTMENT OF MANAGEMENT STUDIES, NIT-T

The Department of Management Studies (DoMS), NIT-T since its inception in the year 1978 has served as a management hub for aspiring students and is being recognized as one of the best business schools in the country. The department has earned a remarkable reputation over the years through persistent commitment towards management education and innovation. DoMS teaches the art and science of management and inculcates the virtues and the skills to the students to mark a difference in their future workplace. The academicians at DoMS are known for their learning and erudition, with a well-established record of consultancy and research activities.

PROGRAMME OBJECTIVES

This programme sponsored by Rajiv Gandhi National Institute of Youth Development (RGNID), Sriperumbudur, Tamil Nadu, aims at preparing the teachers to meet the requirements of classroom teaching in the 21st Century. The core functions of 21st Century skills education is learning to learn in preparation for a lifetime of change. This integrated skills set is expected to instil and sustain holistic development in learners and make them well-rounded individuals. This family of skills becomes the need of the hour, as the skills mismatch between the academia and industry has resulted in employment deficit. Training the teachers in promoting skill-based education will help in bridging this skills mismatch.

COURSE CONTENT

The course aims at equipping teachers to be competent in facing the challenges of the dynamic learning environment, by providing an insight to soft skills for success and life skills for survival at the workplace. The participants can hone their abilities through interactive sessions and impart the skills to their students.

- Achievement Motivation, Problem Solving and Decision-making skills, The Pedagogy of 21st Century Skills Education
- Creativity, Interpersonal Skills, Digital Learning – Techno Pedagogical Perspectives, Leadership Skills and Group Dynamics
- Team Building, Flipped Classroom, Personality Development Emotional Intelligence, Blended Learning
