ALCHEMY 2018 REPORT

Alchemy’2018, the Annual Technical Symposium of the Chemical Engineering Association of National Institute of Technology, Tiruchirappalli was conducted from the 16th March to 18th March. Dr. R. Sasangan, Dean of Engineering, Amrita Vishwa Vidyapeetham inaugurated the Symposium and gave a lecture on the topic "Atomic Layer Deposition". 7 events and 3 workshops were conducted during the course of the Symposium. The workshops focused on the advanced softwares used for designing chemical engineering equipment and on simulations of chemical processes. Over 500 people registered during the three days. 9 Companies sponsored for the Events and Participation from Karnataka, Kerala and Tamil Nadu were received. The Valedictory ceremony was held on the 18th and Prizes and Gift Vouchers were distributed.
Special features of Alchemy 2018 comparing to previous years

Workshops conducted in 2015-2017
WORKSHOPS

MATLAB Software

ASPEEN HYSYS Software

Process Simulation with DWSIM

COMPUTATIONAL FLOW DYNAMICS Software

Workshops conducted 2015-2017

EVENTS

<table>
<thead>
<tr>
<th>Name of the event</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><em>National level Paper Presentation</em></td>
<td>By chemical engineers from various universities across the country. Judged by an eminent panel of technical experts in the field.</td>
</tr>
<tr>
<td>Chem Quiz</td>
<td>Various developments in chemical engineering is quizzed among students from all over India.</td>
</tr>
</tbody>
</table>

*A Special Event to celebrate our 51st year

EVENTS
