GUEST LECTURES

SUDHHASATWA BASU
Director of Council of Scientific Industrial Research - Institute of Minerals and Materials Technology (CSIR-IMMT)

We're extremely delighted to invite you to his insightful lecture on "Role of Education in Innovation, Startups and Entrepreneurship"

Date: 25th April
Time: 3.15 pm - 4.15 pm
Platform: Ms Teams
Free registration

SURESH KUMAR BHATIA
Professor, University of Queensland. An elected fellow of the Indian Academy of Sciences (1993), and the Australian Academy of Technological Sciences and Engineering (2010).

We're extremely delighted to invite you to his thoughtful lecture on "Computational Design of Composite Membranes for Gas Separation"

Date: 24th April
Time: 4.30 pm - 6.00 pm
Platform: Ms Teams
Free registration
WORKSHOPS

SIMULATION WORKSHOP ON ASPEN
This workshop is mainly aimed at providing rich hands-on experience to the participants on the use of process simulation software - ASPEN PLUS in addressing Chemical Engineering problems. The lecture sessions are carefully designed to provide the required theoretical background. The laboratory exercises include problems drawn from almost all the core areas of Chemical Engineering. This is a 3 day workshop starting from 23rd April, 2021 - 25th April, 2021
23 Apr, 2021
Event Cost: ₹300
Workshop Managers: +91 8939650294, +91 8700165077

WORKSHOP ON GUIDANCE FOR RESEARCH PAPER WRITING
Getting a research project published in an accredited journal holds benefits for both the researcher and the institution hosting the journal. It is through publication that the research, including its scientific and practical contributions, is disseminated to others in a particular field. This makes scientific researchers and practitioners with similar interests aware of new knowledge in their field and it helps to advance knowledge and its application. Register if you want to write research papers like a pro!
