

Laboratory and Experimental Setup

(Process Control Lab., Dept. of Instrumentation and Control Engineering, NIT-T)

Hybrid Tank System

Heat Exchanger

Laboratory and Experimental Setup (Process Control Lab., Dept. of Chemical Engineering, NIT-T)

Members:

Dr.T.K.Radhakrishnan, Professor, Department of Chemical Engineering.

Dr.N.Sivakumaran, Assistant Professor, Department of ICE.

Neutralization Process

Quadruple Tank System

Heater-Mixer Set up

Conical and Spherical Tank System
