

The Chapter Meets

DoMS Alumni Association (DAA) has existed for long but we recently inaugurated our official logo. The inauguration was also one of the agendas of the Chapter meets held at Delhi, Bangalore, Mumbai. The Chapter meets help us maintain relationships with our alumni, who without a doubt are a strength of this age old institution. DAA has strived to maintain better relations with the alumni and to bring them close to each other. The Chapter meets give rise to lasting relations among alumni as well as between alumni and faculty. Various agendas are discussed at the Chapter meets and opinion of alumni are worked upon. We are constantly trying to maintain our alumni database and to keep them in touch with one another.

DoMS alumni from as far back as 1984 grace the alumni meets with their presence. Some students from the current batch will also be present in the meet, allowing the alumni to reminisce about their times in DoMS-NIT Trichy, and stay updated about the current happenings in their alma mater. This is a golden opportunity for the current students to establish a sound rapport with the B-school's 36 year old alumni base. Most of the alumni occupy the top echelons in esteemed companies like Volvo, Genpact, Infosys etc. and their presence at the respective chapter meets allows us to draw on the experience and knowledge of the alumni

In 2016-2017, the chapter meets were held at the following locations:

Chennai – March 2017
Hyderabad – February 2017
Bangalore – November 2016
