Signature of Research Guide (s)

Head of the Department

The paper is published in a SCI/SCIE journal. Hence, it is recommended to reimburse the eligible amount (as per the guidelines mentioned below).

Dean (Academic)

Guidelines

1. The claim of reimbursement of journal over-length charge should be forwarded through research guide(s) and respective Head of the department in prescribed format.
2. The journal should be a reputed, non-paid journal (without any basic publication charge)
3. The published paper should have been listed in science citation index (SCI) or science citation index expanded (SCIE) indexed journals.
4. The journal over-length charge can not be reimbursed if the published work is part of any funded project as it can be claimed in project fund.
5. The claim form should be submitted along with the payment proof including dollar conversion on the date of payment.
6. Academic year mean July to June.
