

Examiner / Thesis Submission Guidelines

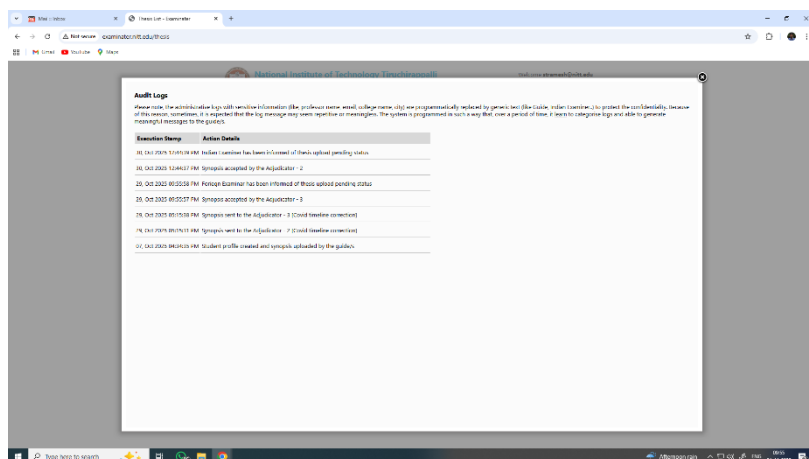

Once the synopsis is submitted, the list can be tracked under “Thesis Tracker” on the home page after logging in to the Examiner portal.

The tracker displays the number of submitted synopses and shows the status as “Waiting for thesis upload.”

The Activity Details section presents all updates provided by the reviewers.

Select **“Submit Now for Dissertation”** to finalize the thesis submission.

Audit Log
Please note, the administrative logs with sensitive information (like, author name, email, college name, city) are programmatically replaced by generic text (like guide, Indian Examiner) to protect the confidentiality. Because of this reason, sometimes, it is expected that the log message may seem repetitive or meaningless. The system is programmed in such a way that, over a period of time, it logs to categorize logs and able to generate meaningful messages to the guides.
