Ref: AO/UG /Feedback/January 2022   **05-08-2022**

CIRCULAR

Sub: UG Course Feedback for January 2022 session – Date extension – reg.

The MIS portal was opened to UG students for Course Feedback for courses of January 2022 session from 22nd to 30th April 2022. It is seen that very few students have given the feedback. Hence the **Course Feedback for courses of January 2022 session is extended till 9th August 2022**. **First year UG students** (who have just completed II semester) should also give feedback from **5th to 9th August 2022**.

All the students are instructed to **compulsorily give the feedback** for courses of January 2022 session. The registration dates will not be extended further. Students who have already given the feedback need not give again.

Students should access MIS through the **internet** in the link: https://misreg.nitt.edu/NITTSTUDENT/
