Important Instructions for Students:

- Students who have not paid fee payments from previous semesters will not be permitted to register for courses in the January 2026 semester.
- All pending dues and applicable fees must be cleared before initiating course registration to prevent technical issues in the MIS portal.
- Students are strongly advised to consult their Academic Mentor before finalizing course selections and must ensure that all prerequisite requirements are fulfilled.
- Students are required to strictly adhere to the semester registration/deregistration schedule as specified above (3-day window).
- Any technical issues or discrepancies in course listings must be reported immediately to the Department MIS Coordinator within the registration window.
- It is the responsibility of each student to ensure that all applicable courses—including PC, PE, GIR, ELR, OE, OC, MI, and HO – are duly registered through the MIS portal.
- Retain a copy (screenshot or printout) of the final registration summary for your records.
- Automatic course registration or deregistration will **not** be carried out by the MIS Section.
- Late registration or deregistration requests will **not** be entertained under any circumstances beyond the stipulated deadlines.
