**Subject: No-Dues Clearance and Download of Provisional & Transfer Certificates,  
Convocation 2026 - Reg**

The Institute Online No-Dues Portal (<https://nodues.nitt.edu>) is now live and accessible via the common internet for all graduating UG and PG students except PhD and MS research scholars (Portal access applies to all B.Tech. (2022–2026), B.Arch. (2021–2026), and M. Tech., M. Arch., M.Sc., M.A., MBA (2024–2026), and MCA (2023–2026) batch students). The students must log in to update their profiles and verify their dues status across all sections (Departments, library, CSG, and hostels, etc.). Any outstanding dues must be settled via **SBI-Collect (Refer I below)**, and payment details must be uploaded to the portal. Upon final verification by the Academic Office, students will be permitted to download their **Provisional and Transfer Certificates** directly from the portal.

Please note that this online process is strictly for **UG and PG students only**. All 2026 graduated **PhD and MS Research Scholars** are required to follow the manual process by submitting a hard copy of their No-Dues clearance form to the respective sections of the Academic Office.

Students (Final year UG & PG) who fail to update their profiles in the **No Dues portal** will be unable to download or receive their certificates through the platform. Log in and complete the details in the nodues portal on or before 25<sup>th</sup> May 2026. Timely completion of this process is mandatory to ensure a smooth graduation and participation in Convocation 2026. For any queries, email [nodues@nitt.edu](mailto:nodues@nitt.edu) from your concern webmail.
