Important Instructions for Students:

- Students who have not paid fee payments from previous semesters will not be permitted to register for courses for the July 2026 session.
- Ensure all pending dues and applicable fees are cleared before course registration for the session to avoid technical issues in the MIS.
- Students are encouraged to consult their Academic mentor before confirming their course selections.
- Students must satisfy all prerequisite requirements for the courses they intend to register for.
- Students are required to strictly adhere to the course registration/deregistration schedule as specified above.
- Any technical issues or discrepancies in course listings must be reported immediately to the Department MIS Coordinator within the registration window.
- It is the responsibility of each student to ensure that all applicable courses—including PC, PE, OE, laboratory, and online courses are duly registered through the MIS portal.
- Retain a copy (screenshot or printout) of the final registration summary for your records.
- Note that automatic course registration / deregistration will not be undertaken by the MIS section.
- **Late registration or deregistration requests will not be entertained under any circumstances beyond the stipulated deadlines.**
