Sub: PhD. & MS (by Research) Revaluation of final assessment - July 2025 session -
Regarding

Students who appeared for the final assessments in the July 2025 session are permitted to review their evaluated answer scripts and seek clarifications, if any, from the respective faculty members. Faculty members are requested to make the evaluated answer scripts available for student verification from **27/1/2026** to **29.01.2026**.

Additionally, students will be granted access to the MIS portal from **27.01.2026** to **29.01.2026** to register for revaluation if desired. Students can access MIS through the internet in the link: <https://misreg.nitt.edu/NITTSTUDENT/>

All revaluation requests, including those with no change in marks or grades, kindly requested to be completed by the respective faculty members on or before **31.01.2026**, to avoid technical issues during student registration for subsequent supplementary examinations, if applicable.

Students who got confirmation of grade change from the faculty concerned are alone advised to register in MIS for revaluation. If other students register for revaluation, their registration will be pending with HOD/Concerned faculty and their grade card, SGPA and CGPA cannot be generated by MIS. Hence, ONLY eligible students, upon confirmation from faculty, are instructed to register in MIS.
