CIRCULAR

Sub: UG Revaluation of End Assessments – January 2025 Session – Reg.

UG students (B. Tech. / B. Arch. / B.Sc. B.Ed.), who appeared for the **End Assessment of January 2025 session**, can review all his / her the valued answer scripts of the end assessments (excluding laboratory examinations, comprehensive examination, internship, industrial lecture and project work), and can get them retotalled / revalued and seek clarifications, if any, from the concerned faculty members (B.21.0).

Faculty members are requested to make the valued answer scripts available for student verification in offline mode **from 08.07.2025 to 10.07.2025**.

Students will be able to register for revaluation through the MIS portal <https://misreg.nitt.edu/NITTSTUDENT/> **from 09.07.2025 to 14.07.2025**.

All revaluation requests, including those with no change in marks or grade, should be completed by faculty members **on or before 15.07.2025**, to avoid technical issues during student registration for subsequent supplementary examinations, if applicable.

Important Instructions to Students:

1. Revaluation registration in the MIS portal should be done only by students who have verified their end assessment answer scripts and received confirmation from the concerned faculty regarding a possible change in grade.
2. Students are hereby informed that registering for revaluation without prior intimation to the concerned faculty member will result in the following consequences:
 - The respective course(s) will not be reflected in the grade sheet.
 - SGPA / CGPA will not be displayed.
 - Registration for supplementary examinations will be disallowed.
 - No requests for exceptions or special consideration will be entertained.
