CIRCULAR

The institute has applied for accreditation from NBA for its B.Tech. programmes. The visit by the NBA Expert Team to our institute is scheduled from 04-12-2013 to 06-12-2013. This time, the entire accreditation process at our institute would be monitored by the mentors from Washington Accord. During the visit, the NBA team would like to have discussions with faculty, students and alumni members. In this regard, it is proposed to reschedule the academic calendar for the ensuing even semester. Accordingly, the institute will reopen for even semester on the next day after the odd semester examinations for all 2nd, 3rd and final year B.Tech. programmes. The students are informed to attend the classes immediately after the semester examinations. The vacation for these students will be from 07-12-2013 to 19-01-2014. However, the schedule for first year B.Tech., all semesters of B.Arch. and PG programmes will remain unchanged.

The detailed schedule is as follows:

Course	Reopening Date
B.Tech.IV Semester	04-12-2013
B.Tech.VI Semester	25-11-2013
B.Tech. VIII Semester	27-11-2013

Accreditation is a mandatory process for the institute to ensure the quality of education and improvement. Through this, the programmes/courses would be critically appraised to verify that the institute or the programme continues to meet and exceed the norms and standards prescribed by international institutions. Hence, the cooperation of all stakeholders of this institute is highly solicited to achieve this task.
