

Sustainable Development Goal 13 (SDG 13)

1. Club Name: League for Environmental Awareness and Protection (LEAP)

Activity Title: LEAPIX Photography Competition

LEAP, NIT Trichy, organized LEAPIX, a photography competition to promote climate awareness through visual storytelling, encouraging students to capture themes like biodiversity, pollution, and environmental change.

Impact:

- **Participants: 50**
- Generated **environment-focused photographic content**
- Increased **student engagement in climate awareness**
- Promoted **creative expression for environmental issues**

2. Club Name: Akkara

Activity Title: Spring Seed Event 4.0 (SDG 13: Climate Action)

Spring Seed Event 4.0 promoted environmental awareness through an 8-week plant-growing activity, where students cultivated and monitored plant growth, encouraging sustainable practices and responsibility.

Impact:

- **Participants: 75**
- **Achieved successful completion of plant growth activity**
- **Improved plant health indicators through monitoring**
- **Promoted hands-on environmental learning**
