

Guidelines / Thesis Submission Portal (Faculty)

Step 1: After the student submits the thesis, an acknowledgement E-mail containing the review login link will be sent to the guide. Alternatively, the portal may be accessed directly through the following link:

<https://ts.nitt.edu/>

Step 2: Log in to the Institute's online thesis submission portal using your OCTA credentials (the username and password issued by the Institute).

Step 3: After successful login, the dashboard will display the list of students working under your guidance.
