

Guidelines / Thesis Submission Portal (Student)

Step - 1: Log in to the institute's online thesis submission portal using your OCTA credentials, i.e., the username and password provided by the institute.

The screenshot shows the login page for the Thesis Submission portal. At the top, there is the National Institute of Technology, Tiruchirappalli logo and name in English and Tamil. Below this, the title "Thesis Submission" is centered. The login form includes fields for "Username" and "Password", a "Submit" button, and a "Forgot password?" link. A note states: "Note: Faculty and Students can log in using their OCTA credentials." Below the login form, there is a section for "User Instruction Manuals" with links for "Student", "Faculty", and "HoD". At the bottom, a copyright notice reads: "© 2026 Computer Support Group.
