## Director's Forward

Let me begin by congratulating the faculty, students and staff of NIT, Trichy for their laudable accomplishments in the academic year 2017-18.

NIT, Trichy is what Stephen Covey would call “An empowered organization in which individuals have the knowledge, skill, desire, and opportunity to personally succeed in a way that leads to collective organizational success”. I also take pride in announcing that we have retained, for the third consecutive year, the 1<sup>st</sup> position among 31 NITs as well as the 11<sup>th</sup> position among all the Engineering Institutions across the country: A stellar feat indeed. We have also climbed three notches to the 31<sup>st</sup> position, in the overall NIRF- 2018 ranking.

We faced fierce competition from several institutions for the NIRF ranking. We missed the 9<sup>th</sup> and 10<sup>th</sup> positions by a whisker this year. I do concur with Peter Drucker that, “Rank does not confer privilege or give power. It imposes responsibility”. However, we have to work to improve IPR creation, the peer and Industry perception, and many other parameters in order to climb up the ranking ladder towards newer heights. These are our priorities and we will, with hard work and whole-hearted effort, achieve them. I believe we can break into the top 500 league in the International Rankings. Our Mechanical and Manufacturing Engineering was ranked 351-400 in the Quacquarelli Symonds (QS) world rankings 2018. Let us sharpen our pencils and get back to our drawing boards to analyze the results carefully. Let us listen to our stakeholders and take their feedback in order to retain, if not, improve our position and, in good time, break into the top 10.

The crowning glory this academic year was the President of India declaring NIT, Trichy the Best Innovation Club at the Festival of Innovation and Entrepreneurship (FINE) held at Rashtrapathi Bhawan in March 2018. Besides, our Institute won the “University of the Year 2017 (above 30 years) in the FICCI Higher Education Summit 2017.

The Executive Chairman of Starbucks, Howard Shultz’s recipe for success is worth a thought: “When you are surrounded by people who share a passionate commitment around a common purpose, anything is possible”. Proof of this statement is that we have improved our publication index this year with 687 Scopus and 553 Web of Science publications. I applaud the students and faculty members for their commendable efforts in their areas of specialization. Further, we have procured various sponsored projects from FIST, DST-INSPIRE, CSIR. with a total funding of 10.31 crores. We have filed 27 Patents during this academic year; the noteworthy spike in our performance graph deserves a special mention on this occasion. This academic

year we also framed an IPR policy. Let us harness the power in our collective passion to excel as well as the clear purpose that beckons us to exceed ourselves.

I am happy to share with all NITT-ians the unique and historic moment when we decorated our alumnus, N. Chandrasekaran, Chairman, Tata Sons, with *Honoris Causa* (Doctor of Letters) during the 13<sup>th</sup> Convocation held in August 2017 in the presence of Padmabhushan N. R. Narayanamoorthy who was our Chief Guest.

After a hiatus of 10 long years, we initiated a massive recruitment of faculty members. I was indeed moved by the patience and tolerance of the teachers who were awaiting their promotions for almost 6-10 years. I congratulate the fraternity of 131 promoted faculty members as well as the 48 newly recruited faculty members on this occasion. We also recruited 8 Senior Officers in the Administration in 2017.

I am delighted to share the establishment of the 'Centre of Dynamic Excellence [CoDE] in Manufacturing'. It hosts ten state-of-the art laboratories, which will become operational from May this year. This is a perfect example of Industry-Institute Interaction, where Siemens Industry Software has invested around 170 crores of Rupees. The centre is intended to improve innovation and research in this area and increase the job prospects of Engineering graduates.

Remembering Stephen Covey again, "The Key is not to prioritize what's on your schedule, but to schedule your priorities". NIT-T is one among the few institutions which have signed an MoU with the National Academic Depository (NAD) launched by the Government of India. In addition, we have inaugurated the office of International Relations (OIR) to expand the institute's footprint on a global scale; we also signed an MoU with Wayne State University, USA.

Our Students have won many medals and trophies in inter-collegiate sports events at IIT-Kanpur, NIT-Agartala, NIT-Warangal, NIT-Kurukshetra and many other venues. Our technical fest, PRAGYAN, had an array of distinguished speakers and technical displays, including a Human Library and many other innovative programs.

We need to shoulder more responsibilities and improve the standards in terms of creating innovation, incubation centres, research parks, centres of excellence with industry support, increasing PhD output, enhancing public visibility and perception as well as ranking. Let us all join hands in a united effort in the interest of our institution.

I thank the Deans, Registrar, Heads of the Departments, Staff and each and every student of this Institute for all the unceasing support and an unbounded cooperation I received last year.

Jai Hind!

**Dr. Mini Shaji Thomas**

**Director**

## 1. CITY SCAPE

Tiruchirappalli formerly called Trichinopoly in English, nicknamed Tiruchi or Trichy is a major city in Tamil Nadu and the administrative headquarters of Tiruchirappalli District. It is the fourth largest Municipal Corporation and urban agglomeration in the state besides being an educational hub for both basic and higher education.

Tiruchirappalli is believed to be of significant antiquity and has been ruled, at different times, by the Early Cholas, Early Pandyas, Pallavas, Medieval Cholas, Later Cholas, Later Pandyas, Delhi Sultanate, Madurai Sultanate, Vijayanagar Empire, Nayak Dynasty, the Carnatic state and the British. The archaeologically important town of Uraiyur which served as the capital of the early Cholas is a suburb of Tiruchirappalli. The city played a critical role in the Carnatic Wars between the British and the French East India companies. It has a number of historical monuments with the Rockfort, Ranganathaswamy temple at Srirangam and the Jambukeswarar temple at Thiruvanaikaval being the most prominent among them.

Tiruchirappalli is an important industrial and educational hub of Tamil Nadu. The factories such as Ordnance Factory Tiruchirappalli (OFT), Heavy Alloy Penetrator Project (HAPP), Bharat Heavy Electricals Limited (BHEL) and Golden Rock Railway Workshops are located in Tiruchirappalli. The National Institute of Technology (NIT), the Bharathidasan Institute of Management (BIM), Indian Institute of Management (IIM), Indian Institute of Information Technology (IIIT), Bharathidasan University (BDU) and Anna University of Technology have their campuses in the city. Tiruchirappalli is internationally popular for a brand of cheroot known as the Trichinopoly cigar which was exported in large quantities to the United Kingdom in the Nineteenth century.

Tiruchirappalli is administered by a municipal corporation established as per the Tiruchirappalli City Municipal Corporation Act 1994. Tiruchirappalli is well-connected by road, rail and air. There are direct passenger flight services to destinations in South-East Asia and the Middle East.

## **2. NIT, TIRUCHIRAPPALLI – AN OVERVIEW**

### **2.1. BRIEF INFORMATION ABOUT THE INSTITUTE**

The National Institute of Technology, Tiruchirappalli has distinguished itself on the national scene this year by being ranked first among the 31 NITs (third year in a row) and Eleventh among all the technical institutes in the country by the National Institute Ranking framework (NIRF) of the Government of India. Established as the Regional Engineering College (REC) in 1964, the salubrious campus became NIT, Tiruchirappalli in 2007 and is an Autonomous Institution under MHRD, Government of India. The President of India is the visitor of the Institute.

NIT, Tiruchirappalli follows credit-based academic programmes with flexible curricula, minor specializations, flipped class rooms and new evaluation models. The Institute has won the prestigious CII-AICTE best industry linked institute, National level awards from FICCI for social responsibility and University of the year 2017 (above 30 years) and from ASSOCHAM for the best institute to use ICT tools in education. NIT, Tiruchirappalli has been declared the Best Innovation Club at the Festival of Innovation and Entrepreneurship (FINE) held at Rashtrapathi Bhawan in March 2018, by the President of India. The institute also received High Impact Entrepreneurship Campus Award jointly awarded by the Ministry of Skills Development and Entrepreneurship.

NIT, Tiruchirappalli has forged links with peer universities and institutes, both at the national as well as international levels, to enhance research and enrich its academic programmes. The alumni have distinguished themselves through their achievements in and contributions to the domains of industry, academics, research, business, and governance. The institute continues to work closely with the alumni to enhance its activities through interactions in academic and research programmes as well as to mobilise financial support. The Institute has 17 Academic departments and runs 10 UG Programmes, 27 Masters Programme, MS by Research and Ph.D. Programmes in major fields of Engineering, Sciences, Humanities and Management. There are 6400 students (600 overseas students) who choose NIT Tiruchirappalli for one of the 10 Undergraduate Courses, the 28 Postgraduate Courses in Science, Engineering & Technology, and Management, as well as M.S. (by Research) and Ph.D. programmes. The vibrant campus is a shining example of cultural diversity with students drawn from almost all the states in the country.

### **2.2. VISION, MISSION AND CORE VALUES**

#### **2.2.1. Preamble**

NIT Tiruchirappalli, through its Vision, Mission and Core Values, defines herself as:

- ✚ An Indian institution with world standards
- ✚ A global pool of talented students, committed faculty and conscientious researchers
- ✚ Responsive to real-world problems and, through a synergy of education and research, engineer a better society

### **2.2.2. Vision**

To be a university globally trusted for technical excellence where learning and research integrate to sustain society and industry.

### **2.2.3. Mission**

- ✚ To offer undergraduate, postgraduate, doctoral and modular programmes in multi-disciplinary / inter-disciplinary and emerging areas.
- ✚ To create a converging learning environment to serve a dynamically evolving society.
- ✚ To promote innovation for sustainable solutions by forging global collaborations with academia and industry in cutting-edge research.
- ✚ To be an intellectual ecosystem where human capabilities can develop holistically.

### **2.2.4. Core Values**

#### **Integrity**

Honest in intention, fair in evaluation, transparent in deeds and ethical in our personal and professional conduct that stands personal and public scrutiny.

#### **Excellence**

Commitment to continuous improvement coupled with a passion for innovation that drives the pursuit of the best practices; while achievement is always acknowledged, merit will always be recognized.

#### **Unity**

Building capacity through trust in others' abilities and cultivating respect as the cornerstone of collective effort.

#### **Inclusivity**

No one left behind; no one neglected; none forgotten in the mission of nation building through higher learning.

## Goals

International Accreditation and Ranking in tertiary education largely guide goal-setting. The perception built by the stakeholders, crucially, influence the process of repositioning. Benchmarking with global universities who are in the top 200 in world rankings in terms of teaching, innovation and research, funding and internationalisation. Hence, the need to set the following goals:

- ✚ Attracting top talent and global collaborations
- ✚ Building world-class research infrastructure to facilitate multi- / inter- / transdisciplinary research
- ✚ Initiatives towards financial sustainability
- ✚ Social outreach activities of national / international importance
- ✚ Top 10 in India ranking in Engineering Discipline
- ✚ Top 500 in World Ranking

3.	Prof. B. Ilango	1989-1994
4.	Prof. C. R. Kandasamy	1994-1994
5.	Prof. K. L. P Mishra	1995-1997
6.	Prof. Aravindan	1997-2000
7.	Prof. M. Arumugam	2000-2003
8.	Prof. P. Subramanian	2003-2005
9.	Prof. M. Chidambaram	2005-2010
10.	Prof. V. Sivan	2010-2010
11.	Prof. S. Sanchetti	2010-2011
12.	Dr. Srinivasan Sundarrajan	2011-2016
13.	Prof. (Mrs). Mini Shaji Thomas	Since 2016

### 3.2. COMMITTEES AT NITT

#### 3.2.1. Finance Committee

All matters relating to Finance are dealt with the Committee. The Finance Committee consists of the following members:

Director	National Institute of Technology, Tiruchirappalli – 620 015	Chairperson In-charge
Director	National Institute of Technology, Tiruchirappalli – 620 015	Ex-Officio
<b>Two members Nominated by the Government of India</b>		
Joint Secretary & Financial Advisor, IFD	Dept. of Higher Education, MHRD, Government of India, Delhi – 110 001	Member Ex-officio
Joint Secretary (Technical Education)	Dept. of Higher Education, MHRD, Government of India, Delhi – 110 001	Member Ex-officio

<b>One member Nominated by Board among the Board Members</b>		
Dr. P. Jayabalan	Professor, Dept of Civil Engineering, NIT, Tiruchirappalli – 620 015	Member
Registrar	NIT, Tiruchirappalli – 620 015	Member Secretary Ex-officio

**During the year under report, the Finance Committee Meetings were conducted on the following dates:**

<b>FC Meeting</b>	<b>Date</b>	<b>Venue</b>
32 <sup>nd</sup>	01/05/2017	Board Room, IIT Delhi
33 <sup>rd</sup>	13/07/2017	OOM Room, NIT, Tiruchirappalli

All-important academic matters, curriculum development, approval of syllabi, academic rules and regulations, etc. are dealt with the Senate. The composition of Senate as approved by the Government of India is given below:

Director, NIT, Tiruchirappalli – 620 015	Chairman
All Professors	Members
EXTERNAL MEMBERS	
Dr. V. Jagadeesh Kumar, Professor & Head, Dept. of Electrical Engineering, Indian Institute of Technology Madras, Chennai – 600 036	Dr. Malathy Duraisamy, Professor of Economics, Dept. of Humanities & Social Sciences, Indian Institute of Technology Madras Chennai – 600 036

During the year under report the Senate Meetings were conducted on the following dates and accorded approval for various academic matters and the award of Degrees to the Graduands.

Meeting	Date	Venue
37th	06/07/2017	A13 Hall, NIT, Tiruchirappalli
38th	21/11/2017	A13 Hall, NIT, Tiruchirappalli

### 3.2.4. Staff Selection Committee

The faculty members are selected on all India basis by direct recruitment through an open advertisement. The constitution of the Staff Selection Committee is as prescribed in the First Statutes of the National Institute of Technology.

**The Selection Committee for recruitment or promotion of Academic Staff (excluding the Director and the Deputy Director):**

Chairman	The Director, NIT, Tiruchirappalli – 620 015
Members	<b>Visitor's Nominee</b> Dr. V. Jagadeesh Kumar, Professor & Head Dept. of Electrical Engineering, IIT, Chennai -600036
	Two Nominees of the Board one being an expert, but other than a member of the Board.
	One expert nominee of Senate from outside the Institute.
	Head of the Department concerned (For other than the post of Professor)

During the year under report no appointments were made.

### 3.2.5. Selection Committee for Technical / Administrative / Ministerial Staff

The Director is the appointing authority for all Non-teaching staff posts (below the scale of Asst. Professors). The selection committee constituted as per the First Statutes of National Institute of Technology will give recommendations based on prescribed norms, vacancy position, etc.

#### The Selection Committee for Technical posts is as follows:

<b>Chairman</b>	The Director, NIT, Tiruchirappalli – 620 015
<b>Members</b>	One expert from outside the Institute
	Nominee of Ministry of Human Resource Development
	Head of the Department Concerned
	Registrar

#### The Selection Committee for Administrative and Ministerial staff is as follows:

<b>Chairman</b>	The Director, NIT, Tiruchirappalli – 620 015
	One expert from outside the Institute
<b>Members</b>	Nominee of Ministry of Human Resource Development
	Registrar

**Total Nos. of Selection Committee conducted during: 3 times**

#### The Selection Committee for Senior Administrative and other comparable posts carrying pay scale of Lecturer and above is as follows:

<b>Chairman</b>	The Director , NIT, Tiruchirappalli – 620 015
<b>Members</b>	One expert from outside the Institute
	Nominee of Ministry of Human Resource Development
	Nominee of the Board
	Registrar

#### Faculty / Staff Appointed from 01/04/2017 To 31/03/2018

The list of staffs joined during the year under report is furnished below:

Sl. No.	Name	Designation
1.	Dr. Senthilkumar R	Assistant Professor
2.	Dr. Karthik Thirumala	Assistant Professor
3.	Dr. Josephine R L	Assistant Professor
4.	Dr. Prakash N	Assistant Professor
5.	Dr. Kaushik P	Assistant Professor
6.	Dr. Harish Kruthiventi S S	Assistant Professor
7.	Dr. Vivek Mohan	Assistant Professor

The list of Non-teaching staff joined during the year under report is furnished below:

Sl. No.	Name	Designation
1.	Dr. Moorthi S	Medical Officer
2.	Dr. Priyanka R	Medical Officer
3.	Shri. Narayanan R	Executive Engineer
4.	Shri. Vigneshwara Raj A G	Assistant Registrar
5.	Dr. Sathish Kumar S	Assistant Registrar
6.	Shri. Murugan G	Security Officer
7.	Shri. Karthikeyan R	Assistant Registrar

### 3.3. STAFF POSITION

The sanctioned strength against the actual staff in position as on 31.3.2018 is furnished below:

Sl. No.	Category	Sanctioned Strength	Staff In Position
1.	Director	1	1
2.	Professor	56	95
3.	Associate Professor	112	84
4.	Assistant Professor	225	73
5.	General Admn. & Officer Staff	432	61
6.	Technical Staff		83
7.	Other Staff		56

Faculty / Staff retired during the period from 01.04.2017 to 31.03.2018

Sl. No.	Name of the Staff	Designation	Department	Date of Retirement
1.	Smt. Seethalakshmi R	Junior Assistant	Central Library	31.05.2017
2.	Smt. Brindha R	Senior Assistant	O/o. Dean (Academic)	31.05.2017
3.	Shri. Sakthivel A	Superintendent	Architecture	30.06.2017
4.	Shri. Veeran V	Attendant SG –I	Computer Support Group	30.06.2017
5.	Shri. Gowri Sharma K	Security Guard SG –I	Security Office	31.07.2017
6.	Shri. Sivaprasad Sharma U	Security Guard SG –I	Security Office	31.07.2017
7.	Shri. Periyamayan S	Technical Assistant	Production	31.08.2017
8.	Shri. Yamalal Sharma N	Security Guard SG –I	Security Office	30.11.2017
9.	Smt Kamala T	Senior Attendant	Computer Support Group	31.01.2018

**3.4. FINANCE AND ACCOUNTS**

The Union, Ministry of Human Resource Development, New Delhi is providing full financial assistance for both the Capital and Revenue expenditure.

**Capital:** All developmental activities such as construction of buildings, purchase of equipment, furniture and books are procured out of this fund

**Revenue:** Regular recurring expenditures such as salary & allowances, Pension, Family Pension, Retirement Benefits, Department Operating Cost, Electricity/Water charges etc. are being met out of this grant.

In addition to the above, R & D sanctions from various funding agencies were also received by this institution.

List of Funds Received under various heads are Given Below:

(Rs. in Lakhs)

Sl. No.	Details of Sanctions	Amount sanctioned by MHRD
1.	Capital Head	5351.00
2.	Revenue Head	9237.00
3.	R & D Projects	805.60
<b>TOTAL</b>		<b>15393.60</b>

**3.4.1. Audit**

MHRD, the Government of India had entrusted the certification of accounts of the Institute to Comptroller & Auditor General, New Delhi. The Principal Accountant General (Tamil Nadu) had completed the audit on the accounts of the institute submitted to them.

**3.4.2. Annual Expenditure**

(Rs. in Lakhs)

Sl. No.	Heads	Amount Incurred	Unspent Balance
1.	Capital Head	5525.75	547.90
2.	Revenue Head	15561.21	1180.84

#### 4. STRATEGIC PLANNING GROUP

The Strategic Planning Group (SPG) of NIT Tiruchirappalli was constituted in October 2017 to prepare the long term of vision and strategic plan of the institute. The main objective of the SPG is to develop strategies for improving national and international rankings along with the guide ways for the implementation and evaluation of strategic initiatives. The very first task of SPG was to develop a strategic plan of the institute for the next five years starting from 2019. Strategic planning of the Institute is a formalized, documented organizational management process used to analyze its current situation, set priorities, and to focus resources to achieve and maintain an Institute's competitive advantage.

The strategic planning activity started in October 2017, with a workshop on 'Technical Education in the National Context: Challenges and Strategies' where 21 eminent speakers deliberated on building world-class Institutions. This was followed by a series of workshops, to understand the attributes of world-class Institutions, Institutional SWOT, vision and strategy. SPG followed a bottom up approach, in which all the stakeholders, including faculty, staff and students were involved in evolving the strategy which revolves around teaching-learning, research and collaborations aimed at sustainability and good governance. External experts were invited repeatedly to validate the course and outcome of the plans.

The developed strategic plan shall definitely help to define the direction in which the institute must travel, and shall aid in establishing realistic objectives and goals that are in line with the vision and mission charted out for it. The strategic plan of the institute shall provide the roadmap to align the functional activities of the institute to achieve set goals. Strategy initiatives would begin at the multi-disciplinary and inter-disciplinary levels and expand in good time to trans-disciplinary level. Efforts to actualize ideas involve:

- ✚ an increased involvement of alumni
- ✚ opening the campus to more international faculty and students
- ✚ enabling a vigorous culture of innovation and entrepreneurship
- ✚ evolving admission and recruitment policies that are sensitive to contemporary needs and challenges
- ✚ increasing value by international accreditation
- ✚ forging new partnerships with industry and globally top-ranked universities

The new performance paradigm makes it imperative to reposition in symbolic and actual terms. The symbolic involves a revisiting of the Emblem; the actual repositioning involves a pragmatic approach to financial sustainability.

## 5. ACADEMIC PROGRAMMES AND AWARD OF DEGREES

The Institute has 17 Academic departments and runs 10 UG Programmes, 27 Masters Programme, MS by Research and Ph.D. Programmes in major fields of Engineering, Sciences, Humanities and Management.

### 5.1. PROGRAMMES OF STUDY

#### 5.1.1. Undergraduate Programmes

##### **Bachelor of Technology (8 Semesters)**

1. Chemical Engineering
2. Civil Engineering
3. Computer Science and Engineering
4. Electrical and Electronics Engineering
5. Electronics and Communication Engineering
6. Instrumentation and Control Engineering
7. Mechanical Engineering
8. Metallurgical and Materials Engineering
9. Production Engineering

##### **Bachelor of Architecture (10 Semesters)**

1. Architecture

#### 5.1.2. Postgraduate Programmes

##### **Master of Technology (4 Semesters)**

1. Energy Engineering
2. Chemical Engineering
3. Process Control and Instrumentation
4. Transportation Engineering and Management
5. Construction Technology and Management
6. Structural Engineering
7. Environmental Engineering
8. Computer Science and Engineering
9. Power Electronics
10. Power Systems
11. Communication Systems
12. VLSI System
13. Industrial Safety Engineering
14. Thermal Power Engineering
15. Material science and Engineering

16. Industrial metallurgy
17. Welding Engineering
18. Industrial Engineering and Management
19. Manufacturing Technology
20. Non-Destructive Testing
21. Data Analytics

#### **Master of Architecture (4 Semesters)**

1. Energy Efficient and Sustainable Architecture

#### **Master of Science (4 Semesters)**

1. Computer Science
2. Chemistry
3. Physics

#### **Master of Business Administration (6 Trimesters)**

#### **Master of Computer Applications (6 Semesters)**

#### **Master of Science (By Research)**

All Engineering Departments

#### **Doctor of Philosophy**

All Departments

### **5.2. ADMISSIONS 2017-18**

Admission to B. Tech. and B. Arch. programmes is through the IITJEE. NIT, Tiruchirappalli follows the reservation policy declared by the Supreme Court of India, by which 27% of seats are reserved for Other Backward Classes (OBCs), 15% for Scheduled Castes (SCs), and 7.5% for Scheduled Tribes (STs). The Institute also accepts foreign nationals through scholarships awarded by the Government of India, and non-resident Indians through an independent scheme known as Direct Admission for Students Abroad (DASA). Admissions to M. Tech., MBA and MCA are based on the scores in the Graduate Aptitude Test in Engineering (GATE), CAT and by NIMCET examinations respectively.

**5.2.1. Fresh Admission 2017-18**

## 7. DEPARTMENTS

### 7.1. ARCHITECTURE

The department of Architecture has received one citation and two special mentions in the National Association of Students of Architecture convention 2018. The department has started the first PG Program in Energy Efficient and Sustainable Buildings. The department has entered into an MoU with the Ministry of Housing and Urban Poverty Alleviation under the technology sub-mission of PMAY (Pardhan Mantri Awas Yojana). The students have won many national and international competitions in academic, sports and cultural events.

## 7.2. CHEMICAL ENGINEERING

The department of Chemical Engineering is regarded as one of the premier centers for Chemical Engineering in India by industries as well as academia. It offers a B.Tech. programme and M.Tech. programme in Plant Design and Process Control and Instrumentation. The department is backed by highly qualified and experienced faculty, most of whom have been involved in various industrial projects and consultancy services. The students, guided by the experienced faculty, have presented many papers in India and abroad and have won several National Level Design Competitions. The programme is supplemented by several state-of-the-art laboratories, which cover all areas of practical interest. Other than traditional laboratories like Fluid Mechanics, Heat and Mass transfer and Mechanical Operations, the students are exposed to specialised ones like Reaction Engineering, Process Control and Biotechnology. The process control lab, one of the best in the country, is equipped with the latest instruments for recording and analysis of data used for simulating plant conditions. The department has received Rs.97 lakh from DST under FIST 2017 after an interim of 14 years.

### 7.3. CHEMISTRY

The department of Chemistry trains 1000 B.Tech. students per year in branch specific Engineering Chemistry course. 58 M.Sc. students and 60 research scholars specializing in Chemistry have benefitted from the advanced and varied research facilities available in the department. The department has the state-of-the-art research labs (7 Nos), M.Sc. Labs (4 Nos.) and B.Tech. Labs (2 Nos.). The faculty members and the research scholars have published their research findings in high impact journals. In the current year, 6 research scholars have successfully defended their theses. A National level students' symposium titled, "HORIZON" has been conducted annually by the Post graduate students showcasing the academic, extracurricular and event managerial talents of the students; this is a valuable platform for the students from other institutions to interact with the subject and research experts.

## 7.4. CIVIL ENGINEERING

The Civil Engineering Department, one of the oldest Departments, was started in the same year the then Regional Engineering College Tiruchirappalli (REC) came into existence (1964). The department offers One UG and three PG regular programmes such as Transportation Engineering, Structural Engineering and Environmental Engineering. The department offers L&T sponsored M. Tech. in Construction Management & Technology under the Build India Scholarship programme of Larsen and Toubro Ltd, Chennai. 40 research scholars are pursuing their PhD and MS research studies. The faculty members are very active in teaching, research and consultancy activities. They have received sponsored research projects from various agencies such as DST-SERB & BHEL. The consultancy services have been rendered to various government agencies such as MEW, AAI, Indian Railways, CPWD, and state government organizations. Students have received internships at Universities abroad with the financial support of DAAD fellowship, MITACS fellowship, S-N Bose fellowship, NTU-India Connect Internship as well as from leading Indian Institutes such as the IIT's, IISc, and other prominent industries. Students have received prestigious fellowships such as the Indian Academy of Sciences Fellowship and the TU Delft Excellence Scholarships.

## 7.5. COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science and Engineering, NIT, Tiruchirappalli was started in the year 1981. It offers one Under-Graduate programme (B.Tech.), one Post-Graduate programme (M.Tech. in Computer Science and Engineering) and also research programmes (M.S. and Ph.D.) in the various fields of Computer Science and Engineering. The department has proven its excellence in research by publishing more than 73 papers in highly impact journals and transactions like SCI, Scopus, IEEE, besides, it has filed patents. The faculty and students of the department have received awards and fellowships. Notable among them are the international internships from DAAD, MITACS as well as internships in acclaimed national institutes like IIT Madras, IIT Bombay, the Indian Academy of Sciences, and so on. The department association (CSEA) has conducted VORTEX, a technical symposium and has arranged workshops and guest lectures from Stanford University and Microsoft.

## 7.7. ELECTRICAL AND ELECTRONICS ENGINEERING

The department of Electrical and Electronics Engineering, NIT, Tiruchirappalli was started in the year 1964. It offers one Under-Graduate programme (B.Tech.), two Post-Graduate programmes (M.Tech. in Power Systems and Power Electronics) and also research programmes (M.S. and Ph.D.) in the various fields of Electrical and Electronics Engineering. The department has proven its excellence in research by publishing papers in the high impact journals and transactions, besides, filing patents. The department has excelled with awards and fellowships received by the faculty and students. Four faculty members have been awarded Young Faculty Research Fellowships and the reputed POSOCO award has been received by NIT, Trichy EEE students every year right from its inception. The sponsored projects have been obtained for over 2 crores and several project proposals are in the pipeline pending approval. The faculty members and students have attended several reputed IEEE conferences for exhibiting their research progress. Our students have received prestigious internships from DAAD, MITACS etc.

## 7.10. HUMANITIES AND SOCIAL SCIENCES

The department of Humanities and Social Sciences (formerly known as the Department of Humanities/English) has been in existence since the beginning of National Institute of Technology (formerly, the Regional Engineering College) and is known for its dynamic collaboration of faculty and students. The department is an independent interdisciplinary research centre and is a top-ranked department among NITs. It has two major divisions, namely, Economics and English. The department has constantly striven for a pragmatic curriculum that has a high degree of professional relevance that meets the existing demands of industry, business, public and private organizations, academic and human services. Accordingly, the department has been offering a cluster of wide-ranging courses to undergraduates and graduates. In 2004, the department commenced its full-fledged Ph.D. program and, since then, it has produced quality work in new areas of research. The department, recently, started offering Minor Courses in Economics as well as in Language and Literature recognizing the growing demand for humanities-based programmes.

## 7.11. INSTRUMENTATION AND CONTROL ENGINEERING

The Department of Instrumentation and Control Engineering was established in the year 1993 and the first batch of students graduated from the department in the year 1997. It offers one Under-Graduate programme (B.Tech.), one Post-Graduate programmes M.Tech. (Process Control and Instrumentation) and also research programmes (M.S. and Ph.D.) in various fields of Instrumentation and Control Engineering for both regular and part-time scholars. M. Tech. (PCI) is an interdisciplinary programme. The curriculum is updated regularly with inputs from industries and reputed educational institutions. The department with its state-of-the-art laboratories as well as young and dynamic faculty have been involved in providing quality education at both UG and PG levels.

### Achievements:

1. Dr. N. Sivakumaran was awarded the Young Faculty Research Fellow, 2018 by MeITY
2. Dr. K. Dhanalakshmi received the Bharat Vikas Award from the Institute of Self Reliance, Bhubaneswar.
3. Venkatesh Venkatramanan (11011609) of (2016-2020 batch ICE ) got the Globalink Research Internship Award from the University of Ottawa.

## 7.12. MANAGEMENT STUDIES

The Department of Management Studies has achieved a significant milestone this academic year through the students, scholars and faculty for their remarkable feats in academics, co-curricular and extracurricular activities. The students of this department have won several technical competitions conducted all over India. Dr. N. Thamaraiselvan and Dr. B. Senthil Arasu conducted various FDPs and workshops during the first week of April, 2017 and October, November and December, 2017. They catered to the needs of the emerging scholars and faculty so that they develop necessary skills for teaching the new age generation. Dr. G. Kannabiran offered Consultancy services to NLC India Ltd and helped to formulate Knowledge Management Policy and Strategy during April to July 2017. He organized a National Workshop on Technical Education in the National Context: Challenges and Strategies, for academic administrators / faculty of NITs, 5-7 October 2017. He also conducted an MDP on Strategic Management for 25 senior managers of NLC India Limited during October 11-12, 2017. He also organized many workshops on Inclusive Higher Education, Emerging Management Concepts and Practices for junior executives of TNPL and Faculty Start-ups and Entrepreneurship during 2017-18. Research scholars and faculty from different streams have published research papers in reputed peer-reviewed journals listed under SSCI, SCOPUS, SCI-E and ABDC. Dr. V. J. Sivakumar and Ajitha won best paper award in IIM Indore – North American Society for Marketing Education in India (NASMEI) Summer Marketing Conference, held during July, 2017. Dr. V.J Sivakumar and Amirtha also won the best paper award in the first Research Colloquium on Emerging trends in Engineering, Management & Technology held during 23<sup>rd</sup> -25<sup>th</sup> March, 2018. In this academic year, the department of management studies has notched several achievements in all the streams of management and it shall continue to contribute more to sustain the pride in Brand NIT, Trichy.

### 7.13. MATHEMATICS

The faculty members of the Department of Mathematics have published in reputed journals and guided seven Ph.D. research scholars. The outgoing students have been placed in various academic and research organizations. Many of the Ph.D. research scholars have attended international and national conferences organized by various leading institutes and have presented their research work. The faculty have visited many universities and colleges and have delivered invited lectures in national conferences and workshops. Prof. R. Nallasamy retired from service on 31<sup>st</sup> Jan, 2018. Prof. N. Nallasamy, joined this institute in the year of 1983 and has specialized in applied statistics and bio-mathematics. He guided seven Ph.D. research scholars and has published many research articles in reputed journals. Prof. R. Nallasamy served for 35 years. The Department of Mathematics organized a farewell function to Prof. R. Nallasamy on 30<sup>th</sup> Jan, 2018.

## 7.14. MECHANICAL ENGINEERING

The Mechanical Engineering Association (MEA) under the department of Mechanical Engineering at NIT Trichy, organizes events, workshops, guest lectures, and industrial visits apart from Synergy, the National level annual technical symposium. This year MEA has established the Mechanical Innovation Centre (MIC), which is a platform for the highly motivated students with an emphasis on innovation. The symposium, conducted over a span of three days, is a celebration of the puzzle that mechanical engineering and every innovation pertains to. The symposium engages brilliant minds with an array of workshops, events and guest lectures, playing host to a large-scale participation from numerous colleges of the country. Its main objective is to enhance the learning process by providing inventive insights to the cutting-edge innovations in the mechanical field. The department has consistently performed in Sports Fete and NITTFEST (Inter-departmental cultural fest). In this academic year, the department secured second position in Sport Fete.

## 7.15. METALLURGICAL AND MATERIALS ENGINEERING

The First International Conference on “Emerging Trends on Materials and Manufacturing Engineering” was conducted to commemorate the golden jubilee year of the Department, during 10-12 March, 2017 with Prof. V. Muthupandi as Chairman and Dr. K. Sivaprasad as Convener. Proceedings of this conference have been brought out in two special issues; one in SCIE journal (Transactions of the Indian Institute of Metals, Springer) and the other one in Scopus indexed journal (Materials Today: Proceedings, Elsevier). Prof. T. Srinivasa Rao has been conferred with Dr. G. V. Memorial Lecture Award 2017 by IIM Tiruchirappalli Chapter. Dr K Sivaprasad has been awarded the best technical paper that was presented at the ICKEM2018 held in Osaka, Japan. Metallographic work by the scholars Mr. Ramkumar and Mr. Rajesh Kannan bagged the Best Metallography awards for the last two consecutive years, both in light optical microscopy and electron microscopy conducted by the Indian Institute of Metals during NMD-ATM. Dr. S. Muthukumaran has filed three patents and Dr. S. Jerome has filed one patent. Prof. B. Ravisankar has published two engineering reference books titled “Periodic Table of Elements (3 volumes)” and “Non-Ferrous Alloys”. Dr. N Ramesh Babu has been granted an Indo-Russia joint research fund and also funding from DST-SERB and DRDO. Overall, the department bagged 4 funded projects last year. More than 45 research papers have been published in international refereed SCI/SCIE journals by this department and 10 articles in scopus indexed journals. Five PhDs were awarded to the scholars of the Department.

## 7.16. PHYSICS

The Department of Physics is one of the best departments in NIT. It caters to all the I year B.Tech. students admitted in NIT-Trichy. The Department of Physics (DoPh) has two PG programmes viz, M.Sc. (Phys) and M.Tech. (NDT). The department has 13 faculty members with a strong academic and research background. The faculty members have published 60 research articles indexed in SCI and SCIE Journals, 25 conferences indexed in Scopus in the academic year 2017-18. Six Ph.Ds have been produced till date (31-3-2018). Four projects worth of Rs.330.34 lakhs have been sanctioned for the department from various funding agencies. Dr. S. Manivannan has received the Tamil Nadu Young Scientist Award for the Year 2016 in the discipline of Physical Science (Awarded Date 23/02/2018) at Science City, Chennai.

## 7.17. PRODUCTION ENGINEERING

The vision of the Department of Production Engineering is to establish a world class academy for Manufacturing and Industrial engineering. The department offers engineering consultancy in the areas of design, manufacturing and resource management. The department maintains a close liaison with a large number of universities and industries within the country and abroad through faculty research and collaborative projects. 5 sponsored project works worth Rs.93.41 lakhs and consultancy work worth Rs.13.88 lakhs have been granted during this academic year. Equipment worth Rs.51.28 lakhs have been purchased. The national level technical symposium 'PRODIGY 2018' attracted thousands of students. Several workshops, events and panel discussions were organized that were presided over by eminent experts. Lectures were organized with Industry experts on frontier topics in Manufacturing and Industrial Engineering domains to provide practical insights to students. The department has shaped several talented candidates who have been recruited by reputed core companies like Alstom, TATA motors, Vedanta, Renault, Nissan and L&T this academic year.

## 9. CENTRAL FACILITIES

### 9.1. COMPUTER SUPPORT GROUP (CSG)

The CSG (OCTAGON - Computer Center) was established in the year 1985 with a small number of hand-picked group of engineers. The objective this group was to promote the use of computers for solving engineering problems and to achieve automation in office procedures in the campus. The concept of the CSG was novel and unique in the erstwhile REC Trichy at a time when there was not much use of computers and automation in our country. The engineers in this group developed assembled computer systems, developed software in-house, conducted lab classes, and accomplished many more. Initially, the CSG was started with just five computer systems. Then a Computer Center with Remote Job Entry System to the ICL 2905 mainframe system at BHEL EDP Center (interconnected by telephone cables) was set up to serve the computing needs of faculty, students and staff. Today, it has grown to a campus wide High Speed Local Area Network system with over 1600 systems interconnected by Fiber Optic Cable.

The OCTAGON & Annex buildings accommodate the central computing facilities, including a server room with 40+ high-end servers and 7 laboratories (5 labs in Octagon building and 2 labs in the Annex building) with totally 400 high-end computers. Also, the Octagon accommodates a Library, a Printer Room, and Centralized A/C Units and Power Backup. The computer support group connects NIT-Trichy to the Internet via two Internet Service Providers (ISP) with 150 Mbps leased line from Software Technology Park of India (STPi) and 1Gbps shared connectivity by National Informatics Centre (NIC) using Bharat Sanchar Nigam Ltd (BSNL) and Railnet as a part of National Knowledge Network (NKN) and National Mission on Education through Information & Communication Technology (NME-ICT).

The CSG has been providing infrastructure for administering GMAT (Graduate Management Aptitude Test), NSCA (National Strength and Conditioning Association), UKCAT (UK Clinical Aptitude Test), Microsoft Certification since March 2016.

The CSG has signed a Microsoft Academic Volume Licensing program known as Microsoft Open Value Subscription Education Solutions, Microsoft Imagine Premium (formerly known as Microsoft Dreamspark Premium). MATLAB 2016 Std Configuration Total Academic License (TAH) 3 Years term license has been purchased by CSG. CSG has Ansys 17, includes CFX and ICEM CFD - 50 user advance license and 5 user research license.

The salient features of campus wide Backbone Network are as follows:

- ✚ 10 Gbps Fiber Optic Backbone & Gigabit Routing Switch
- ✚ 1/10 Gbps Manageable Switches at Departments capable of layer3 Switching
- ✚ UTP CAT 6 Structured Cabling
- ✚ 220 switches located in 34 different buildings and 27 hostels.

- ✚ 1 Gbps connectivity to each client PC
- ✚ Layer 3 intelligence high performance and throughput capacity
- ✚ Fault tolerant Supervisory module (MSM) in each core switch
- ✚ Non-blocking forwarding
- ✚ Minimized latency
- ✚ Support for QoS, bandwidth tracking, and traffic prioritization
- ✚ Voice and wireless connectivity
- ✚ Ethernet Automatic Protection Switching (EAPS) resiliency protocol
- ✚ Monitoring the Campus bandwidth using MRTG
- ✚ Servers are accessible only via UTM
- ✚ Support for Virtual Local Area Network (VLAN)
- ✚ Improved security, scalability, and manageability.

## 9.2. CENTRAL LIBRARY

The Institute has a modern Central Library with more than two and half lakhs of documents consisting of Technical Books, Reports, Standards, CD-ROMS, Audio Visual Educational Cassettes and Back Volumes of Journals. The library subscribes to 164 periodicals (print) plus 7000+ E-Journals and 700+ E-books besides a holding of 17690 Back Volumes of Journals. The library also contains 16,750 books in the Book Bank scheme. Digital Knowledge Centre has been established with 70 Computer systems provided with DVD-RW Drive. Wi-Fi facility has been provided for laptop users. CCTV Web cameras have been fixed in the Central Library and the entire building is under camera surveillance. RFID Technology of Document Identification and Library Security System have been implemented for the library functions and services.

The special services: Web OPAC Service [Online Public Access Catalog (Web OPAC), RFID oriented automated Circulation Service, Current awareness service, CD-ROM search service, Audio-Visual service (Educational cassettes), Membership to external agencies and individuals, British Council Library Institutional membership, access to more than 7000 on-line e-journals through ESS Consortia, and access to more than 700 e-books service, General and Textbooks Reading services, Document Delivery Services have been provided through DELNET & JCCC@INDEST consortia.

### STATISTICAL DATA OF THE LIBRARY:

1.	No. of Books	1,27,471
2.	Print Journals subscribed	164
3.	Back Volumes of Journals	17690
4.	Reports	8454
5.	Indian Standards	17454
6.	Audio Cassettes	39
7.	Video Cassettes	1504
8.	CD-ROMs	3000+
9.	Thesis, Projects	650
10.	Newspapers	15

### E-RESOURCES:

1.	No. of Databases subscribed thro' INDEST CONSORTIUM	10
2.	No. of e-journals subscribed	7000+
3.	No. of e-books (Springer e-books collection)	700+

### **9.3. SIEMENS CENTRE OF EXCELLENCE IN MANUFACTURING**

National Institute of Technology, Tiruchirappalli signed Memorandum of Agreement with Siemens Industry Software (India) Private Limited (SISW) and AMAR Tech (Advanced Manufacturing, Automation & Robotics Technology) on 18<sup>th</sup> August 2017 to set-up Centre of Excellence in Manufacturing at NIT Trichy at an estimated cost of 193 Crores, in which 90% of the fund will be received as a grant from Siemens Global Fund for Technical Education and 10% will be funded by NIT-Trichy. The MOA envisaged that Siemens will set-up twelve state of the art labs at NIT Trichy and run the centre for three years before handing it over to NIT Trichy. The labs planned to be set-up are: Product Design & Validation lab, Test & Optimisation lab, Advanced Manufacturing lab, Mechatronics lab, Automation lab, CNC Machines lab, CNC Controller lab, Robotic lab, Automation lab, Process Instrumentation & Control lab, Electrical & Energy saving lab and IoT lab.

This unique CoE could facilitate a multi-disciplinary learning environment across Technology, Engineering, Science and Management. It is designed to meet the demands of the industries' ever changing processes and help build skills around collaboration and innovation through skilling, R&D and consultancy services. The various learning tracks designed by Siemens and to be certified jointly by Siemens and NIT-T can be practiced out by engineering, polytechnic and ITI students of any Institute for knowledge enrichment and enhanced opportunity for placement. It is also planned to offer consultancy services to Industries in and around Trichy in automation, product development, process optimization, shop floor design, etc. and skill enhancement of existing employees on latest technology.

#### 9.4. SCIENT AND IOT LABS – ALUMNI INSPIRED LEARNING

SCIEnT and IoT lab are multi-disciplinary innovation centre, providing opportunities to students to delve into the ever expanding world of technology, and discover, hands on, the incredible scope for innovation that the world offers today. They were set up on the campus by the alumni batch of 1990 and 1981 respectively.

Students are offered a multitude of tools, machines, consumables and services, and a space in which to work, learn and grow that in turn opens up scope for a variety of inter-disciplinary projects and experimentation. With tools catering to several avenues of research, the labs are open to students pursuing Bachelors', Masters', or PhD from any department. Students are encouraged to pursue learning and innovation of all kinds, ranging from hobby projects to marketable product prototypes. 24/7 accessibility to facilities ensures that they can experiment and test ideas without a fear of failure, encouraging them to innovate, prototype, and improve their ideas.

Those among the students using the labs are members of various technical clubs that are thriving on campus. For instance, the Aeromodelling club, 3<sup>rd</sup> Dimension, has created three projects within SCIEnT – a mid-flight reconfiguration drone, a thrust and rpm measuring device, and a 3-axis test rig for multi rotors. Also, the racing team of the campus, PSI, have begun to use the lab to construct an All-Terrain Vehicle, that participates each year in the BAJA festival.

SCIEnT has conducted tool and machine training programs with instructors from the industry, to give students the chance to learn about their usage from a real-world perspective. This, along with first aid training for members, is part of the activities every year.

### **9.5. IPR CELL ACTIVITIES**

National Institute of Technology, Tiruchirappalli is dedicated to research, teaching, and extension of knowledge to the public. One of the missions of the NIT Trichy is to develop the human intellectual capability to its fullest potential. Inherent in this responsibility is the need to encourage the production of creative and scholarly works and the development of new and useful materials, devices, processes, and other intellectual property with commercial value. These activities contribute to the professional development of the individuals involved, enhance the reputation of NIT Trichy, provide additional educational opportunities to students, and promote public welfare. In addition to new machines, compositions of matter, and written materials which traditionally have been the subject of patents and copyrights, computer software, video courses, etc. are now normal outcomes of NIT Trichy activities. The pace of modern science, resulting in new and useful inventions, initiated a need for a central policy in determining the course of the creation, protection, and commercialization of intellectual property at NIT Trichy. This has resulted in the establishment of the Intellectual Property Right (IPR) Cell and the Intellectual Property Policy to encourage creation and protection of intellectual property in the Institute.

Twenty-eight patent applications have been filed through IPR Cell in the academic year 2017-18 by the faculty and research scholars of various Departments. A global elective entitled MT048 Intellectual Property Rights has been introduced to Under Graduate students.

### **9.6. COUNSELING AND GUIDANCE CELL**

Institute has provision for improving the academic performance of weaker students through Equity Action Plan. It focuses on student-centered strategies to improve their performance through the appointment of active mentors/counselors in guiding the student, providing the student appropriate assistance, and so on. NITT has taken the lead initiative in establishing 'Counseling and Guidance Cell' at the Central Library to provide Enrichment and Enablement Services through personal attention to the students and also extending the facility to faculty and staff of the institute. Institute had initiated the Cell and for the past four years it is under the maintenance of the Office of the Dean (Students' Welfare). The Counselling and Guidance Cell also assists students, faculty and staff in learning difficulties, enhancing harmonious relationship, behavioral development and adjustment problems in addition to improving their overall personality and to help them in meeting challenges in their life. A professional counsellor is available on regular basis daily for eight hours a day at the Central Library building (II Floor) and the students are extensively making use of the facility. If anyone is diagnosed for psychiatric treatment, then the person is referred to a Psychiatrist for medical treatment available at our campus hospital

## 9.7. HOSPITAL

The 10 bedded Institute Hospital with Casualty, OP & IP facilities, 24 hours' pharmacy and a clinical laboratory is functioning in the well-established new building from 19.02.2007. The Hospital is working round the clock on all days with 08 Medical Officers and facilities like O2 cylinder, Nebulizer, Suction, ECG, Ultrasonography and Autoclave. There are male and female wards, Isolation ward, Minor OT, Physiotherapy & Dental Clinics. The Emergency services are available 24/7, 365 days a year with fully equipped ambulance. Consultation of major specializations is also made available.

**Summary (2017-18)**

1. **Vitamin A solution** was given to mothers with infants below 6 months of age and children 5yrs and below. This event was organized by the NITT Hospital Team and GH staff of Thuvakudi, Trichy on 24.03.2017.
2. PULSE POLIO IMMUNISATION: **Oral polio Drops** Second dose was given to children of 0-5 yeas on 30.04.2017 (Sunday) by NITT Hospital staffs and PHC staffs, Thirunedunkulam in NITT Hospital
3. **Medical screening was done for all the first year students**, as a part of Orientation programme which was conducted on August 2017.
4. As per the TN Govt guidelines, NITT Hospital team along with the Guidance of Siddha Doctor, Thuvakudi GH, provided **Nilavembu Powder** at NITT Hospital on 10<sup>th</sup> of October 2017.
5. NITT Hospital team, Government Hospital Team, NSS and Students council of NITT conducted the **blood donation camp** on 04.11.2017 in NITT Hospital and the blood bags were given to Government Raja Mirasudhar Hospital, Thanjavur
6. **Annual Medical camp** for NIT Nursery School students was conducted by NITT Hospital Team on 11th of January 2018.
7. **PULSE POLIO IMMUNISATION:** Oral polio Drops first dose was given to children of 1-5 yeas on 28.01.18 (Sunday) by PHC staffs, Thirunedunkulam in NITT Hospital
8. NITT Hospital team, NCC students of NIT Trichy in association with Titan Eye Plus conducted **eye checkup camp** for the faculty, staff and students of NIT Trichy from 09 Feb to 11Feb 2018.
9. **Vitamin A solution** was given to mothers with infants below 6 months of age and children 5yrs and below - Organized by NITT Hospital team and GH staff of Thuvakudi, Trichy on 23/ 02/ 2018 (FRIDAY).
10. Medical assistance and ambulance services was provided for Pragyam during 1<sup>st</sup> March to 4<sup>th</sup> march 2018.
11. 1 **Adult Digital weighing machine- Electrically chargeable** and 2 Paediatric Digital weighing machine –were purchased on March 2018.
12. 2 Folding Type Wheel chairs and 5 Pulse Oxymeters were purchased in March 2018.
13. PULSE POLIO IMMUNISATION **Oral polio Drops** second dose was given to the children of age 1- 5 years on 11.03.18 (Sunday) organized by the PHC Staff, Thirunedunkulam in NITT Hospital.

## 9.8. HOSTELS

The National Institute of Technology is a residential institute and provides accommodation to students wishing to reside in the hostels. Hostel administration is an independent unit in respect to its internal administration under the overall supervision of the Hostel Administration Committee (HAC) headed by Chief Warden. Hostel administration committee consists of Chief Warden, Additional Chief Wardens & Convener of Hostels. Each hostel is administered by a Warden appointed by the Director and he/she is assisted by Residential Student Councilor (RSC) and Steward in all matters relating to the hostel. The HAC formulates the necessary rules and guidelines pertaining to Hostels and messes.

There are 21 Boys hostels and 6 Girls hostels which accommodate 5200 students approximately every year. Each hostel also has a Hostel Committee which is an advisory body comprising the Warden of the Hostel (as it's Chairman), RSC and the elected student representatives as its members. The Hostel Committee plans the students' activities for the year, like sports, recreational, social activities of the hostel and the welfare of the inmates through the respective student representatives.

First year students are accommodated in separate hostels to ensure that there is no ragging in hostel premises.

The Hostel Office is located within the hostel premises and managed by Deputy Registrar Hostels, accountants, and other staffs in matters related to the various activities of the hostel. The Office maintains all the files, registers, records, ledgers, account books, supplier's bills, payment registers etc., pertaining to the hostel residents, mess and the employees. The Hostel Office is functioning on all weekdays and Saturday.

Every student who has been admitted to the institute is required to pay the prescribed hostel rent and establishment charges along with a refundable hostel mess caution deposit. These charges are subject to revision from time to time.

Each room is provided with a cot, table, chair, bookshelf, and ceiling fan. Private cooking in the rooms is prohibited. Smoking, consumption of alcoholic drinks and substance abuse is strictly prohibited.

Every hostel is connected through Wi-Fi internet connectivity. Every Hostel floors are installed with drinking water purifier with cooler and common rooms are provided with AC facility and TV's for recreational purpose.

A number of recreational, sports and social activities take place in the hostel during the academic year. A few rooms in the hostel are used for common facilities such as the Computer Room, Indoor Sports etc. One of the Common Room houses a Table Tennis (TT) board and Carom board as well. Avid sports enthusiasts can take their sports equipment from the sports Room which is maintained by the Hostel Sports Secretary.

An external security agency is contracted for providing security at the hostels. The services of the security personnel are monitored by the Warden. An external agency is contracted for providing housekeeping services in the hostels and premises monitored by the stewards. The closed-circuit television (CCTV) cameras have been installed at the entrances of the all hostels.

The Hostel committee, ensures proper maintenance of the hostel premises and coordinates the activities of the other secretaries. The Mess committee works in conjunction with the mess caterer and planning of the menu and maintenance of hygiene in the kitchen and the mess hall. Procurement of Sports equipment is the responsibility of the student's council who also plans the schedules of intra-hostel events and appoints Captains for the various hostel teams.

Presently 10 private caterers provide catering services for all inmates of hostels and 10 messes which could accommodate all the students at a time. The messes provide non-vegetarian menu, in north Indian cuisine, Tamil Cuisine, Andhra cuisine and Kerala cuisine. An Exclusive Pure Veg mess is operational for pure vegetarian students and Jain food. Each mess has a separate mess committee, to monitor the quality of the food served and to modify the menu as per the requirements of the students.

Provision is given for every student to opt the mess as per their choices each month with a restriction on maximum number of students per caterers. Apart from this several night kiosks, an exclusive Food court is run in the hostel premises by private catering services. Hostel zone also consists of other common facilities like ATM, Xerox shop, laundry shops, and Naturals Hair saloon outlet.

## 9.9. GUEST HOUSE

NIT, Tiruchirappalli caters to provide accommodation and food to official and personal guests in the two guest houses located in its premises. Guest House -1 has 33 guest rooms inclusive of 3 suites and two dining halls. Guest House -2 has 16 guest rooms inclusive of a suite and a dining hall. All the guest rooms are well furnished, air conditioned and equipped with the basic amenities not limited to Wifi and LED television with DTH services. Both guest houses are maintained through outsourced contract. NIT, Tiruchirappalli is taking efforts to provide three star comforts to its guests.

### 9.10. SPORTS CENTRE

The sports center is a state-of-art coliseum comprising of a modern Gym, indoor badminton courts, and space for carom boards. The 400m Athletic track along with the hockey and football field is well maintained with separate areas for training. The three cricket pitches in the campus are all equipped for both practice sessions and full-fledged matches. Basketball and tennis courts were built keeping world-class standards in mind. The Student Activity Centre (SAC) is equipped with Table Tennis tables and well-furnished play area for chess. The hostels too are built with recreation halls and sports equipment to promote physical fitness.

The two major events that are conducted in the campus are “Sports-Fete,” and the “All India Inter-NIT meet.” The Sports Fete is conducted to inculcate the spirit of sportsmanship and competitiveness among the different departments of the college every year. The All India Inter NIT Meet is the most sought out event among all of NITs in the nation. NIT Tiruchirappalli boasts of successfully conducting three major events including cricket, basketball, and volleyball last year. With the two-way interaction between the unstoppable sports community and the ever-supportive administration, the sky is the limit.

The fitness center which also has wooden flooring houses many exercise machines such as multi-station gym, treadmill, stairs, air walker, rowing machine, exercycle and so on. These are used by the students, staff and other residents of the campus.

### Outdoor Stadium

The outdoor stadium has a 400M track. The cricket ground here hosts matches for the city league. The campus is dotted with two football grounds, one hockey field, two volleyball courts, two basketball courts, two handball three tennis courts, and two ball badminton courts. Besides each hostel have separate playgrounds and indoor games such as table tennis and caroms: two basketball courts and two Tennis courts of international standards worth 65 lakhs just behind the Swimming pool.

### **Aqua Sports Complex**

Constructed in 2003, this houses a 25 m swimming pool. The 5 lakh liters of water is circulated through a filter once every ten hours with the use of a pump. Separate time slots have been assigned to different segments of users. The swimming pool is maintained by the outsourced contract.

### **Indoor Stadium**

The stadium is comprised of one volleyball court, one basketball court, two badminton courts, and three table tennis courts with the synthetic flooring. One thousand plus students can comfortably sit and watch matches from the balcony. Separate dressing rooms are available for both boys and girls sports contingent.

## 13. STUDENT ACTIVITIES

### 13.1. FESTMBER 2017

The 43<sup>rd</sup> edition of Festember, the cultural extravaganza of the National Institute of Technology, Tiruchirappalli, came to a crescendo during four days from 21<sup>st</sup> to the 24<sup>th</sup> of September, 2017 and saw the year-long efforts of the organization come to fruition. Festember 2017 proved to be yet another monumental achievement and has lived up to the legacy set by the previous editions for the past 4 decades, since its inception in 1975.

With the fest revolving around the central theme of "The Orient", and the tagline "Rise and Rave", Festember 2017 embarked on a journey to experience the flavors of the East and South-East Asian countries. The face of the festival, the mascot, was Hanzo, the ninja. The mascot brought the spirit of the theme to life by personifying and symbolising the fervor of Festember. The fest set out with a wide range of pre-Festember outreach events. The Rolling Reels Film Festival received tremendous participation with over 200 short film entries. Gigahertz, the semi-pro rock band competition provided a platform for budding artists to perform to an enthused audience in Chennai and Bangalore. Tiki Taka, a sports outreach conducted in Chennai brought the Festember Football League to the city. These events set the Festember flag flying high throughout the year and built the enthusiasm for the main event in September. Festember paved way for many social responsibility ventures like 'Pages', a book collection drive, 'Vatsalya', a one-day event to connect with the senior citizens of the society and 'Huishou', a competition based on creating art from waste. These events inculcated in everyone the need to give back to nature and spread happiness. With social media campaigns like the interview of ex-military men inside the NIT campus and awareness drives about child labour, Festember made attempts to bring issues of societal concern to the forefront.

Festember 2017 laid its cornerstone with an inaugural address by IAF wing commander A.M.S. Joseph. The ProShow series was a much anticipated aspect of Festember. The maiden ProShow of Festember 2017 mesmerized the audience with the soul-stirring music of the violinist, Shravan Sridhar during the Classical Night. DJ Shaan performed to a raving crowd at the EDM night, and the Rock Night was witness to performances by the bands 'Thermal and a Quarter' and 'RJD', as part of the Red Bull Tour Bus. The fest also comprised of informals, workshops and events throughout the day. Guest lectures - conducted under the name 'Carpe Diem' - by eminent personalities such as the South African cricketer Jonty Rhodes, film critic Baradwaj Rangan and playback singer Srinivas, provided the audience with intriguing, insightful and inspirational stories. The grand fest ended on a high note with an energetic performance by the Bollywood Singer, Amit Trivedi. Festember 2017, a magnificent

celebration of art and culture, was a resounding success and truly set a new benchmark for the years to come.

### **13.2. PRAGYAN 2018**

Pragyan is the annual international techno-managerial festival of NIT Trichy. Established in 2005, Pragyan has grown to become the first student-run organization in the world, and the third overall, to get an ISO 20121:2012 certification for Sustainable Event Management. The organization also holds the ISO 9001:2015 certification for Quality Management Systems. Pragyan 2018, held from the 1<sup>st</sup> to 4<sup>th</sup> of March, was a package of plenty of unique experiences - right from the largest human library by a student-run organization in India to a heated crossfire that saw panelists passionately explaining their points of view on privacy. With a plethora of events, workshops, exhibitions and guest lectures, Pragyan '18, themed 'The Next Dimension' managed to port the attendees to a different level of existence and left them wanting more.

The 14<sup>th</sup> edition of Pragyan commenced on the 1<sup>st</sup> of March 2018 with Dr. B. N. Suresh, founding Director of the Indian Institute of Space Science and Technology (IIST), presiding over the inaugural ceremony. Pragyan '18 brought down to Trichy, some of the world's leading scientists and management professionals. From the National Security Advisor of India, Shivshankar Menon, to Dr. Robert Metcalfe, the co-inventor of the Ethernet and Dr. Ajay Bhatt, the co-inventor of the USB, the guest lecture line-up at Pragyan was nothing short of stellar. With over forty events under nine different clusters, the events of Pragyan 2018 saw wide participation from all over the country. Some events that blew the minds of the participants were Rush Hour, NFS Aqua and The Ultimate Manager.

A new venture that Pragyan '18 undertook was the organization a human library in association with the Human Library, Hyderabad. This was the largest ever human library organized by students in India, with 15 books including the Dancing Masculus and an Urdu speaking Brahmin. The library was open for Days two and three of the fest and saw massive reception

among the attendees and students of NIT Trichy. The Crossfire, one of the most looked-forward-to events of Pragyana took place on the 3rd of March from 6:00 p.m. at the Barn Hall. With panelists discussing on whether privacy should be conceded for the greater good, the discussion, moderated by Mr. Suhrith Parthasarathy, saw the audience at the Barn enthralled. A whopping twenty workshops were conducted in the span of the three days, on a myriad of topics including Blockchain, High-Performance Computing, and Building Information Modelling, to name a few.

The exhibits at Pragyana '18 included a prototype of the Hyperloop, Bionic arm, the robot - In Moov, and KalamSat, the world's smallest satellite, among others. Pragyana not only managed to educate but also succeeded in entertaining the audience with its out-of-the-world infotainment shows. From stand-up comedy delivered by Azeem Banatwalla to ventriloquism performed to perfection by Shawn Chua, the infotainment shows organized were a huge hit. Pragyana '18 came to a graceful end on 4<sup>th</sup> March 2018, with Mr. Vivekanand Vanmeeganathan, Managing Director, Caterpillar India, presiding over the valediction ceremony as the Chief Guest. The winners of Sangam and Ingenium events, the flagship technical-exhibition contests held every year by Pragyana, were recognized.

### **13.3. NITTFEST' 18**

NITTFEST'18, the interdepartmental cultural festival of NITT, indigenous to its own students, was conducted successfully from the 5<sup>th</sup> to the 8<sup>th</sup> of April, 2018. This edition of NITTFEST, sponsored by Nestle, RedBull, Sakthi Masala and Vh1, witnessed growth unlike anything is ever seen before, with its first unique One Rupee pro show by the immensely popular stand-up comedian, Kenny Sebastian. It also saw many prominent personalities coming down to NIT Trichy to judge various events. The 84 events were conducted successfully with the right team spirit.

The inauguration of the fest was held on Day 05<sup>th</sup> April. The event was graced by Gautham Vasudev Menon, the Indian film director, and producer. It was followed by the much-awaited

show by Kenny Sebastian, which was enjoyed by an enormous and enthusiastic audience. The day was ended with mesmerizing Qawwali performances by the teams from various departments. NITTFEST had several events from various clusters like Lits, Music, Dance, and Arts in which the participants gave it they're all. Manoranjan, one of the signature events of NITTFEST marked an entertaining end to Day 1. Battle of Bands, the musical war between the bands from each of the departments was held on the evening of Day 2, where the explosive music made the very air thrum with energy. After the valedictory function on the evening of Day 3, which also saw the screening of movies shot for Take One, the most anticipated event of NITTFEST, the Choreo Nite, was held which was one spectacular grand finale where the dancers from the departments owned the dance floor. These events were judged by eminent personalities and groups like Shreya Deshpande, Balaji Sakthivel, When Chai Met Toast and United by Dance. They also gave valuable tips to the participants after their performances. All in all, NITTFEST 2018 was successful in setting high standards for further editions to come.

### 13.6. NATIONAL CADET CORPS (NCC)

In 2017-2018, A Flight NCC organized 35 official parades. Every week, cadets in uniform assembled at the NSO ground. The 3<sup>rd</sup> year Cadets were responsible for the training of primarily 2<sup>nd</sup> year cadets and through them, the 1<sup>st</sup> year cadets. The parades involved practical and theory sessions. In the practical sessions, cadets were trained in the execution of the drill sequence. The 2<sup>nd</sup> year cadets were trained in the execution of rifle drill and the 1<sup>st</sup> year cadets were trained in the execution of foot drill. They were taught the commands by first explaining the specifications and minute details of each command followed by rigorous practice. In the theory sessions, cadets were educated about NCC and the responsibilities of a cadet towards

society. Each parade ended with the senior cadets motivating the junior cadets to bring out the best in them. Refreshments were provided to the cadets at the end of each parade.

The NCC cadets have participated / organized the following events in 2017 – 18

### 13.7. NATIONAL SERVICE SCHEME (NSS) ACTIVITIES

**BLOOD DONATION CAMP:** Blood Donation Will Cost You Nothing but Save a Life. The saying seems to be well understood by the people of NITT. The Blood Donation Camp was organized by NSS on 4th November, 2017 at NITT Hospital which was a huge success with a 100 volunteers doing the noble deed of donating blood. All the NSS volunteers along with Dr. Mariappan along with members of the Tanjore Government Hospital organized the event successfully. Tanjore Government Hospital ensured that the blood donated goes for maternity purposes and childcare. Many faculties inclusive of The Respected Director of NITT, Dr. Mini Shaji Thomas, took part in this noble gesture of donating blood. The hospital and the Institute

was filled with happiness to see the outcome of the event and is hopeful about conducting more blood donation camp at appropriate intervals.

**CANCER AWARENESS INITIATIVE:** "One-thirds of Cancers can be prevented by avoiding tobacco and leading a healthy lifestyle". With 10 lakh new cases being diagnosed every year in the country, NSS had organized a Poster Designing and Content Writing Contest with cash prize upto 2000 rupees during February. It was a pleasant surprise to see that it had a reach among other college students too who submitted worthy entries. From the many posters received, 10 posters were shortlisted for the final round where people had to get maximum likes for their post and the prizes were awarded based on the quality of the poster and number of likes. The content and posters of the Winners were also published in the NSS page honouring them with the cash prizes.

**ENGLISH TEACHING** event for kids at Pullambadi through "Aid India campaign", saw an enthusiastic participation of NSS members. This program was initiated to promote more English skills in rural area. Interesting quizzes were conducted to test phonetics. 20 Highly enthusiastic NSS students participated in this event enlightening the kids of Pullambadi. AID India Recognised NITT as one of prominent participants and awarded with a memento.

**CLEANING DRIVE ON GANDHI JAYANTI:** The activity was held on 2nd October, 2017, i.e. on the auspicious occasion of Gandhi Jayanti as a tribute to the Mahatma. The activity follows Gandhi's teachings to keep our surroundings clean. Around 15 volunteers, led by Mr. Sridharsan KS, cleaned the dirty and unkempt areas of the NSO ground.

**MEDICAL CAMP:** Prevention and treatment of medical issues are the main task of a health service at a youth camp. A medical camp was conducted in the village of Solaghapetti, a small village near Trichy by the team "HumaNITTy" including the students from NSS and NCC. The doctors of NIT, Trichy examined all the people residing in the village for various issues they had for free. All kinds of check-ups were arranged including the eye check-up. Free medicines were also distributed. Special attention should be paid in prevention of contagious diseases.

**ASHRAM VISIT:** The first year of NSS students visited MALARCHI ASHRAM and TRUWDES ASHRAM on a weekend. There were about 150 participants who took part in activities like distributing sweets, cookies, fruits with enthusiasm and interest. The event became successful because of the active participation of all the students. Events included a visit to an ashram, cleaning drive, visiting various schools and promoting awareness about various issues.
