JOIN HSS AT NITT

At HSS-NITT, every course is taught by full time faculty members who equip students with critical tools that not only help them to study literature, language, and culture in its richness but also prepare them for future careers in many fields. Besides offering traditional courses, HSS-NITT underpins ongoing research on such topics as Digital Humanities, Health Humanities, ELT, Language and Genetics, popular and visual cultures. The English Division of HSS will provide deep support for a variety of employment including research, teaching and beyond. Our curated courses and project work which essentially integrate 21st century skills are sure pathways to creative problem solving, creative writing, cultural interpretation and analysis. The combination of focused group learning, engaged faculty, and rigorous curriculum in HSS-NITT will turn our graduates into thoughtful citizens and custodians of literature, language and culture.

You will be inspired, challenged and motivated to think creatively!
