

# NATIONAL INSTITUTE OF TECHNOLOGY

## TIRUCHIRAPPALLI – 620015, TAMIL NADU, INDIA

### Department of Mathematics

## M. Sc. (Mathematics) Admission 2019-20

**The Institute.** National Institute of Technology, Tiruchirappalli, commonly, NIT-Trichy (NITT), is an Institution of National Importance under the Ministry of Human Resource Development, Government of India and celebrated her Golden Jubilee in 2014. The Institute has been imparting technical education in core branches of science and engineering, besides pushing frontier areas in research. With a vibrant campus and enviable facilities, the Institute provides 10 undergraduate, 29 postgraduate and Ph.D. programmes. NITT is no. 1 among the NITs, and 11th in the National Institutional Ranking Framework (NIRF), MHRD, Govt. of India.

**The Department.** The Department of Mathematics is one of the pioneering and the most distinguished departments in NITT. Until 1993, the Department of Mathematics and Computer Applications offered M. Sc. in Applied Mathematics which was restructured as M. Sc. (OR & CA); from 2019, the Department of Mathematics is offering **M. Sc. in Mathematics** with a blend of pure and applied courses. With fourteen faculty members representing major areas of mathematics, the department is at the forefront of cutting-edge research as well as teaching and innovation.

**Admission to M.Sc. (Mathematics).** Students are admitted to M. Sc. (Mathematics), two-year programme through Joint Admission Test (JAM), a National Level Examination conducted by the Indian Institute of Technology (IITs). Admission for the year 2019-20 is through JAM 2019 score in Mathematics. Details of JAM 2019 including syllabus and application can be obtained from the website:

<http://jam.iitkgp.ac.in>

For admission through Centralized Counselling for M.Sc. to NITs (CCMN), visit website:
