Dr. A.L. ABDUSSATTAR Memorial Award

The worldwide NIT, Trichy Electronics and Communications Engineering Department Alumni are soliciting nominations for the annual Dr. A.L. Abdussattar Memorial Award. The award is to be given to one outstanding student in their third year of ECE at NIT, Trichy, who best exemplifies the spirit of Late Dr. A.L. Abdussattar.

A Perpetual Plaque will be installed in the halls of the ECE Department and each year's honoree will be added to the plaque.

In addition to a merit certificate, the selected student will also be awarded a cash prize. Dr. Sattar cared genuinely about his students: As a professor, mentor, friend and guide, he was always there for so many of us, coaching, encouraging and challenging. Simple and unpretentious, Dr. Sattar lead by example inspiring everyone who was fortunate enough to have worked with him to collaborate, and support one another undeterred by challenges.

In memory and in recognition of Prof. Sattar's pioneering leadership in the ECE Department, nominations are being requested from **ALL** ECE students, faculty, administration for deserving candidates who are in their third year of engineering in the ECE discipline, who have not only demonstrated outstanding technical ability in their own studies but who have genuinely helped their peers, juniors, and others around them in explaining, tutoring and helping others excel.

Outstanding educators in various engineering disciplines have often opined that in order to solve the most difficult of problems, a collaborative effort is necessary and a spirit of shared knowledge is critical to get the best outcome.

"True heroism is remarkably sober, very undramatic. It is not the urge to surpass all at whatever cost, but the urge to serve others at whatever cost." ~ Arthur Ashe

This award is a celebration of this value and encourages this behavior amongst all.

Let this be a hallmark of students of the NIT, Trichy ECE Department.
