NATIONAL INSTITUTE OF TECHNOLOGY
TRICHY – 620 015

ABOUT THE INSTITUTE

The National Institute of Technology (formerly known as Regional Engineering College) Tiruchirappalli, situated in the heart of Tamil Nadu on the banks of river Cauvery, was started as a joint and co-operative venture of the Government of India and the Government of Tamil Nadu in 1964 with a view to catering to the needs of man-power in technology for the country. The college has been conferred with autonomy in financial and administrative matters to achieve rapid development.

The institution offers Under Graduate Courses in ten branches and Post Graduate Courses in twenty one disciplines of Science, Engineering & Technology besides Ph.D. in all the departments. The hallmark of the campus is the good facilities which caters to the academic and extra curricular interests of the students.

ABOUT THE CENTRAL LIBRARY

The Institute has a modern Central Library with more than two lakhs of documents consisting of Technical books, reports, standards, CD-ROMS, AV Educational Cassettes and back volumes of journals. The library subscribes to 179 periodicals (print) plus 4000+ e-Journals and 500+ e-books besides a holding of 17690 back volumes of journals. The library also contains 16,000 books in the book bank scheme.

Digital Knowledge Centre has been established with 50 Computer systems provided with DVD-RW Drive and Wi-Fi facility has been provided for laptop users. CCTV Web cameras have been fixed in the Central Library. RFID Technology of Document Identification and Library Security System is going to be established by March 2013.

HOW TO GET TO NIT-TRICHY

NIT- Tiruchirappalli is located about 22 km from Tiruchirappalli Junction / Central Bus-stand on the Tiruchirappalli - Thanjavur Highway. The simplest and most economical way to reach NIT- Tiruchirappalli is by bus. Board Thanjavur bound route bus and get down at NITT. The journey time from Tiruchirappalli will be around 45 minutes.

BENEFITS OF ATTENDING THE COURSE

- The Participants will get the knowledge about how to access e-resources for their higher studies and research works.
- Participants can learn more about the DELNET Consortium and the various online services, ILL, DDS Services provided by them.
- Participants will be enabled to know about the KOHA: An Open Source Integrated Software for Library Management.
- The customized version of the KOHA software will be given to the participants free of charge.

COURSE OBJECTIVE

The main objectives of DELNET workshop are to promote resource sharing among the Member-Libraries by collecting, storing and disseminating information and by offering networking services to users; to undertake scientific research in their subject area. To enable the participants to get knowledge about Access to various e-resources and online services provided by Delnet for their Research Works. To train the participants to manage and provide information services to the users using Koha: An integrated library management software.
