

NATIONAL INSTITUTE OF TECHNOLOGY
TIRUCHIRAPPALLI – 620 015
TECHNICAL EDUCATION QUALITY IMPROVEMENT PROGRAMME - III

EMERGING AREAS -INDUSTRIAL WORKSHOP

1. Electric Vehicle Technology
2. Electric Vehicle charging stations with solar/wind power supply.
3. Combustion generated pollution control.
4. Big data/data mining/data analytics/AI/Block chain Tech.
5. Unconventional Air – conditioners for Electric Vehicles.
6. Industry 4.0.
7. Additive manufacturing/3D/4D metal printing technology.
8. Hyper loop Technology.
9. Open Agriculture.
10. Digital currency initiative and security.
11. Advanced biomaterials.
12. Healthcare technologies.
13. Battery Technology (Fabrication and Testing).
14. Food and water related technologies.
15. Autonomous/Driverless cars.
16. Education Technology.
